

The Archdiocese of Newark is assessing how many families living with autism and other disabilities need and want to participate in such a program.

## Attends Mass

The Attends Mass Program was developed to serve the needs expressed by families of loved ones with autism who are not able to attend liturgy together. The results of this survey will help us seek program funding, if need and interest are demonstrated.

We want to hear from you! Please share your experience and need in a survey: [www.rcan.org/attends-mass-survey2019](http://www.rcan.org/attends-mass-survey2019)
