Student Goals and Objectives Progress Reporting

March 15, 2019

Dear Parents and Guardians,

I am writing to make you aware of an important change regarding the reporting of progress for students with IEP's. Progress reports, including progress towards Speech and Language goals, will now be available for you to view on the Parent Portal. In order to access this information you will need to sign into your Parent Portal account and acknowledge that you have viewed the information.

Please contact your building secretary if you need assistance with the Parent Portal to access grades and progress reports. Please feel free to contact me directly at mburke@navikings.org or 201-991-6800, Extension 2100, if you have any questions. Thank you for your continued support.

Sincerely,

Michael Burke
Director of Special Education Pre-K - 12
