Security Survey Results

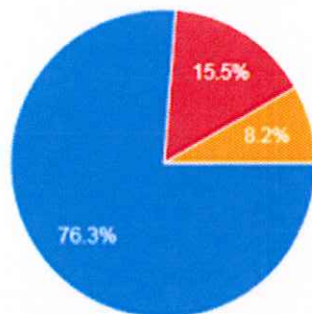

Dear Community Members:

Thank you for recently participating in a survey related to security personnel in our schools. Your opinion is highly valued and will be taken into consideration during the decision-making process.

Please see the survey results below:

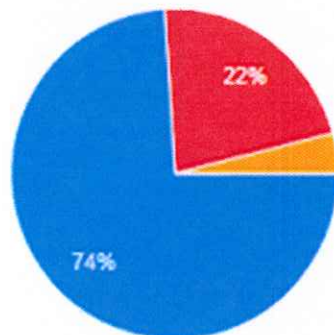

Please select one of the following options as we consider the type of security personnel to be placed in each school building during the school day.

367 Responses (Parents/Community Members)

- I prefer (Class III - Special Law Enforcement Officers), who have law enforcement powers and would be employees of the North Arlington Police Department.
- I prefer unarmed security guards in each school building.
- Our schools do not need security personnel.
