## ARRIVAL & DISMISSAL PROCEDURES

**ARRIVAL:** Students should not arrive on school property before 8:25 a.m. and should be supervised by parent or guardian. Students should immediately line up with their class.

Children may be required to remain after school for extra help / discipline. Students will be excused no later than 3:30 p.m.

**Parents of elementary school students (who have not prepaid for lunch) must send a lunch with their children on days with a delayed opening.**

**ABSENCES:** All pupils returning to school after any absence must present a note of explanation to their teacher. **Parents are required to call school before 8:00 a.m.** on the day of the absence to report reason for absence or the school will call the home to ascertain the reason for the child's absence, as required by the Board of Education Policy on Missing Children. Students who are absent from school on any given day may not participate in or attend an after-school activity.

**Any suspected communicable diseases such as the following: COVID-19, chicken pox, impetigo, conjunctivitis (pink eye), scarlet fever or any unidentifiable rash, requires a doctor's note to return to school.**

**SICKNESS: Children who are sick should remain home.** Students sent home from school with an elevated temperature must remain home for 24 hours after temperature returns to normal without medication. If a child vomits or has diarrhea in school, they will be sent home and it is recommended that they stay home the following day. Parents are expected to pick up ill children within one hour from when the call is placed. It is imperative that parents list a local emergency contact.

**EXCUSES:** In compliance with N.J. state law, a doctor's note is needed to excuse a child from Physical Education class for any length of time beyond one gym class.

At the end of the regular school day, pupils will be released to walk home unless they are transported by bus as otherwise indicated in an Individualized Education Plan (IEP). It is the parent(s) or legal guardian(s) responsibility to inform the school not to allow the child to walk home unescorted if that is the parent(s) or legal guardian(s) desire. The parent(s) or legal guardian(s) must write a letter to the school and the parent(s) or legal guardian(s) must deliver it to the school on or before the day(s) the parent(s) or legal guardian(s) does not want the child to walk home unescorted.

If a guardian instructs the school that the child is not to walk home alone, the school principal or designee will monitor the child until the designated escort arrives, or if it is believed that no one is arriving, the North Arlington Police Department will be called to assist.

## EXTRA HELP

Teachers are available to give students help in each subject area Tuesday through Thursday between 3:05-3:30 p.m. Prior arrangements should be made with the teacher for extra help. It may be necessary for students to be assigned “mandatory help” by their teacher(s). Parents should keep the schedule of extra help days that are assigned to students to avoid confusion at dismissal time. Parents should pick up their children promptly at 3:30 p.m. on extra help days unless otherwise arranged with the teacher.

## ATTENDANCE POLICY

Students and parents must realize that punctuality is an important life skill that will help students to reach their fullest potential and become productive citizens. All students are to arrive at school by **8:30 a.m.**

Students who arrive **after 8:30 a.m.\*** must report to the main office to be **marked tardy**. Students will be given a pass by the office secretary or designee. It is important that students use their time efficiently and report to school on time.

**\*If a student arrives late, a parent/guardian must accompany the student to the main door of the school to assure that the student safely enters the school. Student(s) will then report to the office for a late pass.**

Arriving late to school is a disruption in the daily routine of the individual student, the instruction of classes, and the responsibilities of the main office. For these reasons, **any student with excessive tardiness may result in administrative consequences at the discretion of the principal.**

Requests for early dismissal should be in written form, giving the reason for the request. **Child must be picked up by an adult.** Photo identification may be requested.

All visitors must sign in at the main office upon entering the building and sign out upon leaving. All visitors will be buzzed in by the school office and will report directly to the office. Please **DO NOT** allow anyone to enter the building as you enter or exit and close the door as you enter or exit.

Daily attendance is a requirement for every grade. High absenteeism is one of the greatest causes of unsatisfactory schoolwork and poor academic progress. Cooperation between families and school in this matter is not only encouraged, but compelled by law (NJ 6A:16-7.8).

**Parents/legal guardians are to notify the school of a student’s absence by 8:00 a.m. on the morning of the absence at:**

**(201) 991-6800 Anthony ext. 2200; Jefferson ext. 2400; Roosevelt ext. 2600; Washington ext. 2800**

## STORMY DAY OR EMERGENCY SIGNALS

If school is to be closed because of a storm or any other emergency we will inform you via our Blackboard Communication System and our district website. To be sure you receive all communications, **it is important to update any change in your phone number and email address with your school.** We ask that you do not call the North Arlington Police Department for this information.

## ATTENDANCE POLICY CONTINUED

As per NABOE policy (5200M), a student must be in attendance for 164 or more school days (**meaning 16 or fewer absences**) in order to be considered to have successfully completed the instructional requirements of the grade/course to which he/she is assigned. Students that are absent from school for any reason are responsible for the completion of assignments missed because of their absence.

Prolonged or repeated absences, excused or unexcused, from school or from class, deprive students of the educational and classroom experiences deemed essential to learning and may result in retention at grade level or loss of credit or removal from a course that would count toward the high school diploma in accordance with policies of this Board.

Students shall be subjected to the school district's response for unexcused absences that count toward truancy during the school year as outlined in N.J.A.C. 6A:16-7.6(a)4 and Regulation 5200.

As per Regulation (5200 M), "An excused absence" is a student's absence from school for a full day or a portion of a day for the observance of a religious holiday pursuant to N.J.S.A. 18A:36-14 through 16, or any absence for the reasons listed below:

- The student's illness, supported by compliance with Regulation 5200
- College visits for 11<sup>th</sup> & 12<sup>th</sup> Graders (maximum of three)
- Take Our Children to Work Day
- Absences caused by student's suspension
- The student's required attendance in court
- Family illness or death
  - supported by a written letter from the parent upon the student's return to school
  - supported by notification to the school by the student's parent
- Examination for a driver's license
- Necessary and unavoidable medical or dental appointments that cannot be scheduled at a time other than the school day

### Readmission to School After an Absence

1. A student returning from an absence of any length of time must provide a written statement that is dated and signed by the parent or adult student listing the reason for the absence.
2. A note explaining a student's absence for a noncommunicable illness for a period of more than **FIVE (5)** school days must be accompanied by a physician's statement of the student's illness with medical clearance to return to school.
3. A student who has been absent by reason of having or being suspected of having a communicable disease must present to the school nurse written evidence of being free of communicable disease, in accordance with Policy 8451.
4. Absences incurred due to vacation/travel will NOT be excused and can result in your child being disenrolled from school resulting in re-registration upon return, being assigned to a different elementary school and/or possible retention.

## **LUNCH – CAFETERIA**

K-5 Lunch begins at 11:30 a.m. and ends at 12:15 p.m. Students may bring their own bag lunches. Glass bottles are not permitted. Parents may choose to take children home for lunch. If a child is going home, a parent/guardian must submit a note to the office indicating this and the school will then release the child to the parent/guardian. Children will then return at 12:15 p.m. for the afternoon session.

**There are only 2 options for eating lunch in school:**

1. Your child must either bring their lunch from home with them in the morning or;

## COMMUNICATION BETWEEN PARENTS & TEACHERS

The North Arlington School District believes that parents and teachers are partners in the educational process. Within this cooperative working relationship, parents/guardians have the right to know how their children are progressing in school.

Methods of communication may include telephone contact, email, Google Meet, parent-teacher conferences, trimester progress reports, and trimester report cards. Parents/guardians are encouraged to participate in the educational process and to feel free to initiate contact with teachers. Telephone or in-person conferences can be arranged by sending the teacher a note, email or voicemail, or by calling the main office to schedule an appointment.

In December, the elementary schools offer Parent-Teacher Conferences. Please reference the academic calendar or our website for more information.

Please see Policies 3283 (Electronic Communications Between Teaching Staff Members and Students) and 4283 (Electronic Communications Between Support Staff Members and Students).

## HOMEWORK POLICY

**AMOUNT OF HOMEWORK:** The amount of time which students will spend on homework will vary due to individual differences. However, it is believed that students should be assigned homework on a daily basis. The following time allocations are suggested guidelines for homework. It is conceivable that there may be times when less homework is assigned, while it is also possible that there may be times when more homework that is stated below will be necessary. It is expected that students set aside time on a daily basis for pleasure reading.

Kindergarten = 20 minutes daily  
Grade 1 = 30 minutes daily  
Grade 2 = 40 minutes daily  
Grade 3 = 50 minutes daily  
Grade 4 = 60 minutes daily  
Grade 5 = 75 minutes daily

**If a student consistently states that he/she has no homework or that it has been completed in school, parents should contact the teacher(s) or school counselor for verification.**

**ROLE OF STUDENT:** Students should regard homework as a serious task and should accept full responsibility for the completion of homework in a timely manner. Students are expected to ask questions concerning homework assignments prior to leaving school.

**ROLE OF PARENT:** Homework is the responsibility of the student. However, students need support and encouragement from their families. Parents and guardians are expected to provide a home atmosphere that is conducive to productive work habits. Parents and guardians are encouraged to take a serious interest in a child's homework by helping children to budget time for immediate and long-term assignments, by providing a quiet area for a child to work, and by offering assistance which also enables a student to think for himself/herself when completing assignments.

**HOMEWORK REQUESTS DUE TO ABSENCES:** If a parent wishes to pick up missed homework for a student who is absent, this **request must be called into the school office by 9:00 a.m.** Homework is to be **picked up in the main office at the end of the school day.**

## MAKEUP WORK

Classwork and homework assignments missed due to absence are to be made up with a time period specified by the classroom teacher or administrator. **Upper grade students are expected to show initiative in seeking out a teacher** to determine what assignments were missed and when these shall be due. Work can be requested for any student involved in an extended absence due to illness.

## DISCIPLINE PROCEDURES

**DISCIPLINARY MANAGEMENT PLAN:** Any violation of district and/or school rules may result in administrative disciplinary action based upon the severity or frequency of an offense. However, there could be a progression to disciplinary assignments, which should alert parents/guardians and the student to address behaviors before they become even more serious. Generally, *but not always, this progression* could be as follows:

- **Warnings, teacher assigned detentions, parent calls/meetings, and other creative resolutions.**
- **OSS (Out-of-School Suspension)** is suspension assigned for one or more days when a student is not permitted to attend school or any school functions. The student's parents/guardians are responsible for the student during this time. **Any student assigned Out-of-School Suspension will not be readmitted to school until a conference is held with parent/guardian, the student, and a school official.**

**TEACHER DETENTION:** Reasons a student may be assigned a detention, at the teacher's discretion, may include but not limited to:

- Failure to follow classroom rules
- Insubordination
- Excessive tardiness to class

**LOSS OF PRIVILEGES:** Extracurricular activities are special privileges offered to enhance the student's overall learning experience. Field trips, attendance at assemblies, end-of-the-year activities (Fall Festival, Field Day, Fifth Grade Party, etc.) and other special events are also privileges, not rights. Any privilege may be revoked at any time due to academic concerns and/or disciplinary issues.

District Policy #. 5500, 5512, 5600

### **INTERNET SAFETY:** Compliance with Children's Internet Protection Act

As a condition for receipt of certain Federal funding, the school district has technology protection measures for all computers in the school district, including computers in media centers/libraries, that block and/or filter material or visual depictions that are obscene, child pornography and harmful to minors as defined in 2, 3, 4, 5, 6, 7 and 8 above and in the Children's Internet Protection Act. The school district will certify the schools in the district, including media centers/libraries are in compliance with the Children's Internet Protection Act and the district complies with and enforces Policy and Regulation 2361.

Therefore, no person should expect files stored on district servers will be private or confidential.
5. Do not use the network in such a way that you would disrupt the use of others.

**EMAIL GUIDELINES:** The following guidelines are provided to assist staff and community members to utilize email effectively in an educational setting. Email can be used for clarification of assignments, due date questions, field trip questions, requests for a phone call, thank you notes, communicating with colleagues and staff members, etc. Parent Portal is also a source of information for parents and students.

We request that you consider the following when sending email:

- Be sure to put the topic of your email in the subject line. Teachers and staff often delete emails from unfamiliar addresses in an effort to avoid SPAM;
- Email is not to be used for discussions, discipline issues, student information (privacy laws), or anything of a time-sensitive nature. Confidential items should be discussed over the phone or in person.

## **CHROMEBOOK USE**

Technology is integrated into the curriculum offered in the North Arlington Public Schools. At the elementary schools each classroom is equipped with a Chromebook cart for student use. Students are assigned a Chromebook in each class for their use.

Students are expected to adhere to the Acceptable Use of Computer Networks/Computer & Resources outlined above. The Chromebook and other district-issued devices, email/Google accounts, server space, etc., are the property of the North Arlington Public Schools and, as a result, may be subject to inspection at any time. The student should have no expectation of privacy of materials found on a Chromebook, their Google Drive or Gmail account. Supplied devices are an educational tool and not intended for personal use (gaming, social networking, or high-end computing).

### **Chromebook Care**

### **ELECTRONIC DEVICES (SMART PHONES, CELL PHONES, IPOD, SMART WATCHES, ETC.)**

If a student does have a **cell phone** with him/her, it **must remain turned off and kept in his/her backpack**. If the phone should ring or otherwise be a disruption, it will be confiscated. Cell phones, smart watches, and/or any other electronic devices are not to be used in school at any time; this includes in classrooms, hallways, bathrooms, gymnasiums, cafeterias, school buses, etc.

Discipline procedure:

**Parents should not call or text their children during school hours.** Please call the school office in the event of an emergency. Students who are feeling ill should report to the nurse's office – they should NOT use their cell phones to call home. NABOE policy 5516 M.

## BIRTHDAY CELEBRATIONS

Students can celebrate their birthday in school! Parents should communicate with the classroom teacher regarding the date of the birthday recognition. Students can bring in a small **non-food item** such as a bookmark, special pencil, stickers, coloring book etc. Parents may donate a book in honor of the child's birthday. Arrangements must be made in advance with the classroom teacher. Balloons are not permitted. Also, invitations will be distributed **only** when all students are included. In the event food items arrive at school, the items will **NOT** be sent to the classroom and will need to be picked up. This includes goodie bags with edible items, which are **NOT** permitted.

## NO SMOKING ON SCHOOL PROPERTY

Please be aware that it is illegal to smoke or vape on school grounds and in school buildings.

## NO PETS ON SCHOOL PROPERTY

Please do not bring dogs or other animals onto school grounds. While many dogs accompanying owners are leashed and well behaved, a number of our students and parents are afraid of dogs of any size. Having a dog on the property could result in an accident should a dog become excited by running children or strange noises that often present themselves on our grounds. If you decide to bring a leashed dog with you to school, please remain on the sidewalks and not near students.

## EMERGENCY CONTACTS

It is **imperative** that the school has accurate information regarding emergency calls. Please be sure that all phone numbers are accurate. If you change a phone number, we must be informed. It is important that parents arrange to have emergency contacts in place and that they are local, as time is crucial in emergency situations.

## PROMOTION AND RETENTION

Promotion in grades K through 5 shall be based upon consideration of each child's academic achievement as determined by teacher judgment, using report card grades, as well as daily teacher observation of the student and attendance. Social and emotional maturity will also be considered. As per BOE policy, the principal makes placement determinations. **Students with more than 16 absences may be considered for retention.**

## WHAT DO I DO IF MY CHILD FORGETS SOMETHING (LUNCH, HOMEWORK) AT HOME?

A phone call to the home will be made if a child forgets his/her lunch. Lunch must be delivered by 9:00 a.m. Because students often realize they forgot their lunch during lunch, students will be given a replacement lunch provided by the food service. Payment will be required the following day. Calls to the home for items such as sneakers, homework, textbooks, or musical instruments will not be made, nor accepted at the door during school hours.

## TEXTBOOKS AND SCHOOL MATERIALS/COMPUTERS

All students are issued books/Chromebooks and/or materials at the beginning of the year for which they are responsible at all times. These materials must be returned to the school at the end of the school year. Failure to return school property in the same condition as it was issued will lead to the levying of fines. These fines are necessary to replace lost or damaged instructional materials. Final report cards, transcripts, schedules, etc. will be withheld if books, materials, or money are owed. **All textbooks are to be kept covered at all times.**

## FIELD TRIPS

Field trips utilize community resources to further education opportunities for students within the framework of curriculum objectives and school goals. A field trip is a logical extension of the classroom. As such, the same high standards of student decorum and behavior are expected on field trips, just as in the classroom. A student must have the signature of a parent/guardian on the field trip permission form in order to participate. **NO NORTH ARLINGTON EMPLOYEE, OTHER THAN A SCHOOL NURSE, MAY ADMINISTER MEDICATION ON A FIELD TRIP.** Student misbehavior may result in that student's exclusion from any upcoming and future field trips.

## PHYSICAL EDUCATION

**FOOTWEAR:** Students must wear athletic sneakers on days he/she is scheduled to have Physical Education. Climbing boots or walking boots that have a heel (anything except a flat-surfaced bottom) are not appropriate for running and movement activities in physical education class. The sneakers must tie or Velcro. Failure to adhere to the footwear requirement will result in zero credit for those activities missed. During poor weather conditions when students would usually wear boots to school, sneakers should be carried in a bag or backpack.

**JEWELRY:** Watches and jewelry (chains, rings, earrings, bracelets, nose-rings, pins, etc.) may not be worn during PE class. These valuable items should be secured at home the day of class. Watches and jewelry should not be left in the gymnasium or the playground.

## UNIFORM POLICY:

- Sweatpants are permitted each day. Sweatpants must be navy blue with **no visible logo, designs or stripes**. Students can wear regular uniform pants or shorts when their class is assigned Physical Education class.
- Khaki shorts (Bermuda style or cargo shorts are acceptable); All shorts must be knee length
- Navy blue athletic shorts are permitted *only during physical education days*. Shorts must be knee length with no visible logo.
- **Please see the district website for complete uniform information.**

**EXCUSE FROM CLASS:** Students who are to be excused from taking physical education must bring in a note signed by a parent or guardian for the school nurse. The note must detail the reason for the requested excuse. Students will be excused for ONE day only with a parent note, any days after that students will need a medical excuse from a doctor to stay out of physical education class. If a student gets injured during physical education class, he/she **MUST** report it to one of the PE teachers and a pass will be given to the nurse's office during PE class time.

Where locks are provided for such storage places, pupils may lock them against incursion by other pupils. In no storage place provided by the Board shall pupils have such an expectation of privacy as to prevent examination by a school official. Therefore, all pupils' lockers are subject to unannounced administrative search at any time, in the interests of school safety, sanitation, discipline, and enforcement of school regulations. Pupils shall be notified in writing at the beginning of each school year that inspections of their lockers, desks, and other storage facilities on school district property may be conducted. #### A. Policy Statement

The Board of Education prohibits acts of harassment, intimidation, or bullying of a student. A safe and civil environment in school is necessary for students to learn and achieve high academic standards. Harassment, intimidation, or bullying, like other disruptive or violent behaviors, is conduct that disrupts both a student's ability to learn and a school's ability to educate its students in a safe and disciplined environment. Harassment, intimidation, or bullying is unwanted, aggressive behavior that may involve a real or perceived power imbalance. Since students learn by example, school administrators, faculty, staff and volunteers should be commended for demonstrating appropriate behavior, treating others with civility and respect, and refusing to tolerate harassment, intimidation, or bullying.

For the purposes of this Policy, the term "parent," pursuant to N.J.A.C. 6A:16-1.3, means the natural parent(s); adoptive parent(s); legal guardian(s); foster parent(s); or parent surrogate(s) of a student. When parents are separated or divorced, "parent" means the person or agency which has legal custody of the student, as well as the natural or adoptive parent(s) of the student, provided parental rights have not been terminated by a court of appropriate jurisdiction.

#### B. Harassment, Intimidation, and Bullying Definition

“Harassment, intimidation, or bullying” means any gesture, any written, verbal or physical act, or any electronic communication, as defined in N.J.S.A. 18A:37-14, whether it be a single incident or a series of incidents that:

1. Is reasonably perceived as being motivated by either any actual or perceived characteristic, such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression, or a mental, physical or sensory disability, or by any other distinguishing characteristic;
2. Takes place on school property, at any school-sponsored function, on a school bus, or off school grounds, as provided for in N.J.S.A. 18A:37-15.3;
3. Substantially disrupts or interferes with the orderly operation of the school or the rights of other students; and that

- a. A reasonable person should know, under the circumstances, that the act(s) will have the effect of physically or emotionally harming a student or damaging the student's property, or placing a student in reasonable fear of physical or emotional harm to their person or damage to their property; or
- b. Has the effect of insulting or demeaning any student or group of students; or
- c. Creates a hostile educational environment for the student by interfering with a student's education or by severely or pervasively causing physical or emotional harm to the student.

Schools are required to address harassment, intimidation, and bullying occurring off school grounds, when there is a nexus between the harassment, intimidation, and bullying and the school (e.g., the harassment, intimidation, or bullying substantially disrupts or interferes with the orderly operation of the school or the rights of other students).

“Electronic communication” means a communication transmitted by means of an electronic device, including, but not limited to: a telephone, cellular phone, computer, or pager.

### C. Student Expectations

The Board expects students to conduct themselves in keeping with their levels of development, maturity and demonstrated capabilities with proper regard for the rights and welfare of other students and school staff, the educational purpose underlying all school activities and the care of school facilities and equipment consistent with the Code of Student Conduct.

The Board believes that standards for student behavior must be set cooperatively through interaction among the students, parents, school employees, school administrators, school volunteers, and community representatives, producing an atmosphere that encourages students to grow in self-discipline. The development of this atmosphere requires respect for self and others, as well as for school district and community property on the part of students, staff, and community members.

Students are expected to behave in a way that creates a supportive learning environment. The Board believes the best discipline is self-imposed, and it is the responsibility of staff to use instances of violations of the Code of Student Conduct as opportunities to help students learn to assume and accept responsibility for their behavior and the consequences of their behavior. Staff members who interact with students shall apply best practices designed to prevent student conduct problems and foster students' abilities to grow in self-discipline.

The Board expects that students will act in accordance with the student behavioral expectations and standards regarding harassment, intimidation, and bullying, including:

1. Student responsibilities (e.g., requirements for students to conform to reasonable standards of socially accepted behavior; respect the person, property and rights of others; obey constituted authority; and respond to those who hold that authority);
2. Appropriate recognition for positive reinforcement for good conduct, self-discipline, and good citizenship;
3. Student rights; and
4. Sanctions and due process for violations of the Code of Student Conduct.

Pursuant to N.J.S.A. 18A:37-15(a) and N.J.A.C. 6A:16-7.1(a)1, the district has involved a broad-base of school and community members, including parents, students, instructional staff, student support services staff, school

administrators, and school volunteers, as well as community organizations, such as faith-based, health and human service, business and law enforcement, in the development of this Policy. Based on locally determined and accepted core ethical values adopted by the Board, pursuant to N.J.A.C. 6A:16-7.1(a)2, the Board must develop guidelines for student conduct pursuant to N.J.A.C. 6A:16-7.1. These guidelines for student conduct will take into consideration the developmental ages of students, the severity of the offenses and students' histories of inappropriate behaviors, and the mission and physical facilities of the individual school(s) in the district. This Policy requires all students in the district to adhere to the rules established by the school district and to submit to the remedial and consequential measures that are appropriately assigned for infractions of these rules.

Pursuant to N.J.A.C. 6A:16-7.1, the Superintendent must annually provide to students and their parents the rules of the district regarding student conduct. Provisions shall be made for informing parents whose primary language is other than English.

The district prohibits active or passive support for acts of harassment, intimidation, or bullying. Students are encouraged to support other students who:

1. Walk away from acts of harassment, intimidation, and bullying when they see them;
2. Constructively attempt to stop acts of harassment, intimidation, or bullying;
3. Provide support to students who have been subjected to harassment, intimidation, or bullying; and
4. Report acts of harassment, intimidation, and bullying to the designated school staff member.

#### D. Consequences and Appropriate Remedial Actions

The Board of Education requires its school administrators to implement procedures that ensure both the appropriate consequences and remedial responses for students who commit one or more acts of harassment, intimidation, or bullying, consistent with the Code of Student Conduct. The following factors, at a minimum, shall be given full consideration by school administrators in the implementation of appropriate consequences and remedial measures for each act of harassment, intimidation, or bullying by students.

#### Consequences – Students

Consequences for a student who commits one or more acts of harassment, intimidation, or bullying may range from positive behavioral interventions up to and including suspension or expulsion of students, as set forth in the Board's approved Code of Student Conduct pursuant to N.J.A.C. 6A:16-7.1. Consequences for a student who commits an act of harassment, intimidation, or bullying are those that are varied and graded according to the nature of the behavior; the nature of the student's disability, if any, and to the extent relevant; the developmental age of the student; and the student's history of problem behaviors and performance consistent with the Board's approved Code of Student Conduct and N.J.A.C. 6A:16-7, Student Conduct. The use of negative consequences should occur in conjunction with remediation and not be relied upon as the sole intervention approach.

#### Factors for Determining Consequences – Student Considerations

1. Age, developmental and maturity levels of the parties involved and their relationship to the school district;
2. Degrees of harm;
3. Surrounding circumstances;
4. Nature and severity of the behavior(s);

5. Referral to disciplinarian;
6. In-school suspension;
7. Out-of-school suspension (short-term or long-term);
8. Reports to law enforcement or other legal action; or
9. Expulsion.

In accordance with N.J.S.A. 18A:37-15.b.(4), the consequences for a student who commits an act of harassment, intimidation, or bullying may vary depending on whether it is the first act of harassment, intimidation, or bullying by a student, the second act, or third or subsequent acts. If it is the third or subsequent act of harassment, intimidation, or bullying by a student, the Principal, in consultation with appropriate school staff, shall develop an individual student intervention plan which shall be approved by the Superintendent or designee, and may require the student, accompanied by a parent, to complete in a satisfactory manner a class or training program to reduce harassment, intimidation, or bullying behavior.

#### Appropriate Remedial Actions – Students

Appropriate remedial action for a student who commits an act of harassment, intimidation, or bullying that takes into account the nature of the behavior; the nature of the student's disability, if any, and to the extent relevant; the developmental age of the student; and the student's history of problem behaviors and performance. The appropriate remedial action may also include a behavioral assessment or evaluation including, but not limited to, a referral to the Child Study Team as appropriate; and supportive interventions and referral services, including those at N.J.A.C. 6A:16-8.

The consequences and remedial measures may include, but are not limited to, the examples listed below:

#### Target/Victim Support

Districts should identify a range of strategies and resources that will be available to individual victims of harassment, intimidation, and bullying, and respond in a manner that provides relief to victims and does not stigmatize victims or further their sense of persecution. The type, diversity, location, and degree of support are directly related to the student's perception of safety.

Sufficient safety measures should be undertaken to ensure the victim's physical and social-emotional well-being and their ability to learn in a safe, supportive, and civil educational environment.

Examples of support for student victims of harassment, intimidation, and bullying include:

#### E. Harassment, Intimidation, and Bullying Reporting Procedure

The Board of Education requires the Principal at each school to be responsible for receiving complaints alleging violations of this Policy. All Board members, school employees, and volunteers and contracted service providers who have contact with students are required to verbally report alleged violations of this Policy to the Principal or the Principal's designee on the same day when the individual witnessed or received reliable information regarding any such incident. All Board members, school employees, and volunteers and contracted service providers who have contact with students, also shall submit a report in writing to the Principal within two school days of the verbal report. The written report shall be on a numbered form developed by the New Jersey Department of Education in accordance with N.J.S.A. 18A:37-15.b.(5). A copy of the form shall be submitted promptly by the Principal to the Superintendent.

The Principal or designee will inform the parents of all students involved in alleged incidents, and, as appropriate, may discuss the availability of counseling and other intervention services. The Principal or designee shall keep a written record of the date, time, and manner of notification to the parents. The Principal or designee shall take into account the circumstances of the incident when providing notification to parents of all students involved in the reported harassment, intimidation, or bullying incident and when conveying the nature of the incident, including the actual or perceived protected category motivating the alleged offense. The Principal, upon receiving a verbal or written report, may take interim measures to ensure the safety, health, and welfare of all parties pending the findings of the investigation.

Students, parents, and visitors are encouraged to report alleged violations of this Policy to the Principal on the same day when the individual witnessed or received reliable information regarding any such incident.

A person may report, verbally or in writing, an act of harassment, intimidation, or bullying committed by an adult or youth against a student anonymously. The Board will not take formal disciplinary action based solely on the anonymous report. The district shall provide a means for a parent to complete an online numbered form developed by the New Jersey Department of Education to confidentially report an incident of harassment, intimidation, or bullying.

A Board member or school employee who promptly reports an incident of harassment, intimidation, or bullying and who makes this report in compliance with the procedures set forth in this Policy, is immune from a cause of action for damages arising from any failure to remedy the reported incident.

In accordance with the provisions of N.J.S.A. 18A:37-18, the harassment, intimidation, and bullying law does not prevent a victim from seeking redress under any other available law, either civil or criminal, nor does it create or alter any tort liability.

The district may consider every mechanism available to simplify reporting, including standard reporting forms and/or web-based reporting mechanisms. For anonymous reporting, the district may consider locked boxes located in areas of a school where reports can be submitted without fear of being observed.

A school administrator who receives a report of harassment, intimidation, and bullying from a district employee, and fails to initiate or conduct an investigation, or who should have known of an incident of harassment, intimidation, or bullying and fails to take sufficient action to minimize or eliminate the harassment, intimidation, or bullying, may be subject to disciplinary action.

3. A School Safety/School Climate Team shall be formed in each school in the district to develop, foster, and maintain a positive school climate by focusing on the on-going systemic operational procedures and educational practices in the school, and to address issues such as harassment, intimidation, or bullying that affect school climate and culture. Each School Safety/School Climate Team shall meet, at a minimum, two times per school year. The School Safety/School Climate Team shall consist of the Principal or the Principal's designee who, if possible, shall be a senior administrator in the school and the following appointees of the Principal: a teacher in the school; a school Anti-Bullying Specialist; a parent of a student in the school; and other members to be determined by the Principal. The School Safety/School Climate Team shall be provided professional development opportunities that may address effective practices of successful school climate programs or approaches; and

g. Execute such other duties related to harassment, intimidation, or bullying as requested by the Principal or district Anti-Bullying Coordinator.

Notwithstanding any provision of N.J.S.A. 18A:37-21 to the contrary, a parent who is a member of the School Safety/School Climate Team shall not participate in the activities of the team set forth in 3. a., b., or c. above or any other activities of the team which may compromise the confidentiality of a student, consistent with, at a minimum, the requirements of the Family Educational Rights and Privacy Act (20 U.S.C. Section 1232 and 34 CFR Part 99), N.J.A.C. 6A:32-7, Student Records and N.J.A.C. 6A:14-2.9, Student Records.

#### G. Harassment, Intimidation, and Bullying Investigation

The Board requires a thorough and complete investigation to be conducted for each report of violations and complaints which either identify harassment, intimidation, or bullying or describe behaviors that indicate harassment, intimidation, or bullying.

#### **Principal's Preliminary Determination**

However, prior to initiating the investigation, the Principal or designee, in consultation with the Anti-Bullying Specialist, may make a preliminary determination as to whether the reported incident or complaint, assuming all facts presented are true, is a report within the scope of the definition of harassment, intimidation, and bullying under the Anti-Bullying Bill of Rights Act, N.J.S.A. 18A:37-14.

The Principal shall report to the Superintendent if a preliminary determination is made that the reported incident or complaint is a report outside the scope of the definition of harassment, intimidation, or bullying. The Superintendent may require the Principal to conduct an investigation of the incident if the Superintendent determines that an investigation is necessary because the incident is within the scope of the definition of harassment, intimidation, and bullying. The Superintendent shall notify the Principal of this determination in writing. An investigation required by the Superintendent must be completed as soon as possible, but not later than ten school days, from the date of the written notification from the Superintendent to the Principal.

The Principal shall complete the written report form developed by the New Jersey Department of Education, in accordance with N.J.S.A. 18A:37-15.b.(5), even if a preliminary determination is made that the reported incident or complaint is a report outside the scope of the definition of harassment, intimidation, or bullying pursuant to N.J.S.A. 18A:37-14. This written report form shall be kept on file at the school, but shall not be included in any student record unless the incident results in disciplinary action or is otherwise required to be contained in a student's record under State or Federal law.

The Principal or designee, upon making a preliminary determination the incident or complaint is not within the scope of the definition of harassment, intimidation, and bullying, shall inform the parents of the parties involved, who may appeal the preliminary determination to the Board of Education and thereafter to the Commissioner of Education in accordance with N.J.A.C. 6A:3.

A Board hearing shall be held within ten business days of receipt of the request for a Board hearing. If the preliminary determination, upon review of the facts presented in the reported incident or complaint, is to continue with the harassment, intimidation, and bullying investigation, the investigation shall be completed in accordance with N.J.S.A. 18A:37-15.b.(6) and this Policy.

The Superintendent shall provide annually to the Board of Education information on the number of times a preliminary determination was made that an incident or complaint was outside the scope of the definition of harassment, intimidation, or bullying for the purposes of the State's monitoring of the school district pursuant to N.J.S.A. 18A:17-46.]

The investigation shall be initiated by the Principal or the Principal's designee within one school day of the verbal report of the incident. The investigation shall be conducted by the school Anti-Bullying Specialist in coordination with the Principal. The Principal may appoint additional personnel who are not school Anti-Bullying Specialists to assist with the investigation. Investigations or complaints concerning adult conduct shall not be investigated by a member of the same bargaining unit as the individual who is the subject of the investigation. The Superintendent or designee will appoint a staff member to complete investigations involving allegations against a staff member serving in a supervisory or administrative position.
