

**NORTH ARLINGTON PUBLIC SCHOOLS**  
North Arlington Preschool  
Mission Statement

The North Arlington Public Schools, in collaboration with home and community, is committed to providing a high-quality, developmentally appropriate, and supportive learning environment for all preschool children. Aligned with the New Jersey Student Learning Standards, we will offer a safe and nurturing environment where students can grow socially, cognitively, physically, and emotionally. In partnership with families, community partners, and colleagues, we will foster individuality, creativity, and respect for academic and cultural diversity to develop life-long learners.
