WELCOME MESSAGE FROM THE PRINCIPAL

It is my pleasure to introduce myself as the principal of Veterans Middle School. My dedication to this school district runs deep, as I, myself am a proud graduate of North Arlington School District. In my many years of academic experience in North Arlington Public Schools, the strong staff, parental support, and community input have always been at the heart of our success.

My educational and administrative career began in Essex Fells School District. I had the opportunity to develop a strong background in education and attain a wealth of administrative experiences to offer the teachers, students, and parents.

Veterans Middle School is an exciting place for our students! I am delighted to work with a staff who is devoted to their professional growth and development. It is enriching to see how dedicated the teachers are to creating a learning environment where students are encouraged to learn and grow.

Your involvement as a parent is an essential part of your child's successful Middle School experience, and continues to contribute to the overall school culture of VMS. In this spirit, the staff and I look forward to working with you and your child throughout the school year. Please join me in making this a fantastic school year for our students!

Ms. Nicole Campbell Russo

THE SCHOOL'S MISSION

The Veterans Middle School recognizes the many unique needs, cultural backgrounds, developmental levels and abilities of children, as well as the need to be partners in education with our community and the world community-at-large. We, the faculty and staff of Veterans Middle School, believe that all students can achieve. Along with our community stakeholders, we work to provide a highly varied, challenging and well-rounded program of learning experiences reflective of the NJ Student Learning Standards that will allow students to develop academically, socially, emotionally, and physically. Through instruction in basic skills, critical thinking skills, social studies, science, fine and performing arts, technology, world languages and physical development, combined with a rich program of extracurricular activities, students will become literate, self-disciplined, independent and confident learners who demonstrate positive attitudes and appropriate social/emotional behaviors that will prepare them for the challenges of the 21st Century.

During inclement weather, you will be advised of unexpected school closings/delayed openings through the district's Blackboard notification system.

In addition, information regarding this information will be made available on the district website at www.navikings.org.

ARRIVAL & DISMISSAL PROCEDURES

Grade 6, 7 & 8: Until further notice, any student being dropped off or picked up from school by a vehicle must utilize the school entrance on Rutherford Place. Students should not be dropped off by a vehicle on Beaver Avenue. Students who walk to school may access the VMS entrance (field) via Church Place.

The school day begins at 7:50 am. and ends at 2:15 pm. All students are expected to enter the building by 7:45 am. Also, there are scheduled supervised school club or sports programs that pupils may participate in. Please make note of the schedules for clubs or sports in which your child participates.

At the end of the regular school day, pupils will be released to walk home unless they are transported by bus as otherwise indicated in and Individualized Education Plan (IEP). It is the parent(s) or legal guardian(s) responsibility to inform the school not to allow the child to walk home unescorted if that is the parent(s) or legal guardian(s) desire. The parent(s) or legal guardian(s) must write a letter to the school and the parent(s) or legal guardian(s) must deliver it to the school on or before the day(s) the parent(s) or legal guardian(s) does not want the child to walk home unescorted.

If a guardian instructs the school that the child is not to walk home alone, the school retains responsibility and supervision over the child as long as the pupil remains on school grounds while he/she awaits the arrival of a designated escort. If the designated escort does not arrive at dismissal, the school Principal or his/her designee will monitor the child until such time as the designated escort arrives or such time as it is believed that no one is arriving. At that time, the North Arlington Police will be called to assist.

EXTRA HELP

Teachers are available to give students help in each subject area. Teachers are normally in their rooms from 2:20 – 2:50 pm Monday-Thursday. Students should make prior arrangements with the teacher for extra help. It may be necessary for students to be assigned “mandatory help” by their teacher(s). Students who are issued a mandatory help schedule and do not attend are subject to Central Detention.

CLUB & EXTRACURRICULAR ACTIVITIES

Veterans Middle School offers a variety of extra-curricular clubs and scholastic groups. Students are encouraged to explore these activities and encouraged to participate in them. Clubs provide an opportunity to become acquainted with other members of the school and the local community in an informal setting. Please note that the majority of these clubs meet after school. **Transportation home from after-school activities is the responsibility of the student and parents/guardians.**

Students who are absent from school or are sent home by the nurse on any given day may not participate in or attend an after-school activity.

Students may lose participation privileges in Clubs and Extracurricular Activities due to disciplinary reasons at the discretion of Administration.

TARDY POLICY

Students and parents must realize that punctuality is an important life skill that will help students to reach their fullest potential and become productive citizens. **All students are expected to arrive in period 1 by 7:55 am**, at which time attendance will be taken, the flag salute will be recited, and morning announcements will be made.

Designated doors will open at 7:45 am and will close at 7:50 am. Students who arrive **after 7:55 am*** must report to the main office to be **marked tardy**. Students will be given a pass by the attendance secretary. Any student who reports to homeroom after 7:55 am is considered tardy (regardless of whether or not the student entered the building on time). For this reason, it is important that students use their time efficiently and quickly visit lockers before homeroom begins.

***If a student arrives at school after 8:10 am, a parent/guardian must accompany the student inside the building and report to the main office.**

Arriving late to school is a disruption in the daily routine of the individual student, the instruction of classes, and the responsibilities of the main office. For these reasons, **students with excessive tardiness will result in administrative consequences** (central detention, suspension, etc.)

Discipline procedure:

- **3rd tardy** 1 Day Lunch Detention
- **5th tardy** 1 Day Central Detention
- **8th tardy** 3 Days Central Detention-Parent Notified
- **10th tardy** 5 Days Central Detention-Parent Notified
- **15th tardy** 1 Day in-school suspension (ISS)-Parent Notified
- **20th tardy** student will receive out of school suspension and will not be permitted to return to school until a conference is held with parent/guardian, the student, and a school official.

ATTENDANCE POLICY

Daily attendance is a requirement for every grade. High absenteeism is the greatest single cause of unsatisfactory schoolwork and poor academic progress. Cooperation between families and school in this matter is not only encouraged, but compelled by law (NJ 6A:16-7.8).

1. ***Parents/legal guardians are to notify the school of a student's absence at (201) 991-6800 x 2250 by 7:30 am on the morning of the absence.***
2. Middle School students are limited to a total of **sixteen (16) unexcused absences** for the school year. **Students absent more than 16 days will not qualify for receipt of assigned credit and may be retained.**
3. The school will mail letters of notification to parents/guardians alerting of the dangers regarding a student's non-compliance with the attendance requirements. These letters will be in addition to regular school office procedures, such as calling home to check on absences, reporting absences on report cards, and the use of progress reports.
4. As per NABOE regulation (5200 M), the following are considered legitimate reasons for excused absenteeism:
 - The student's illness, supported by compliance with Regulation 5200
 - College visits for 11th & 12th Graders (maximum of three)
 - Take Our Children to Work Day
 - Absences caused by student's suspension
 - The student's required attendance in court
 - Family illness or death - supported by a written letter from the parent upon the student's return to school and notification to the school by the student's parent
 - Examination for a driver's license
 - Necessary and unavoidable medical or dental appointments that cannot be scheduled at a time other than the school day

*Readmission to School After an Absence

 - A student returning from an absence of any length of time must provide a written statement that is dated and signed by the parent or adult student listing the reason for the absence.
 - A note explaining a student's absence for a noncommunicable illness for a period of more than **FIVE (5)** school days must be accompanied by a physician's statement of the student's illness with medical clearance to return to school.

Any suspected communicable diseases such as the following: COVID-19, chicken pox, impetigo, conjunctivitis (pink eye), scarlet fever or any unidentifiable rash, requires a doctor's note to return to school.

- A student who has been absent by reason of having or being suspected of having a communicable disease must present to the school nurse written evidence of being free of communicable disease, in accordance with Policy 8451.
5. **Absences incurred due to vacation/travel will NOT be excused and can result in your child being disenrolled from school resulting in re-registration upon return, and/or possible retention.**

STUDENT HEALTH & SICKNESS

Please assess your child's level of wellness before sending him/her to school. Your cooperation in this regard will help safeguard your child's health and the health of all the children in our school.

To help stop the spread of infection among students and staff, students should not be sent to school when any of these symptoms of illness are present:

- Temperature over 100° F
- Coughing frequently
- Sore throat (look to see if red)
- Discharge from eyes or red eyes
- Rash on body or face
- Diarrhea/vomiting, nausea

Please keep your child at home for at least 24 hours after an elevated temperature has returned to normal (without medication) and/or after the cessation of vomiting and diarrhea.

USE OF CRUTCHES: A doctor's note is required which specifically indicates that a student needs crutches while attending school. This note also implies that the student has been taught how to use crutches.

ELEVATOR USE: Students who require the use of the school elevator must have a doctor's note which specifically indicates that he/she requires the elevator. This note must also be signed by the parent/guardian and submitted to the main office. The anticipated length of time for which the elevator is needed should be indicated. Students with permission to use the elevator will be accompanied by a faculty or staff member each time he/she is on the elevator.

HEALTH RECORDS/IMMUNIZATION/PHYSICAL REQUIREMENTS

Parents/guardians are legally responsible for filling out Emergency Information Card thoroughly and accurately.

HEALTH RECORDS/ SCREENINGS: Health records are maintained on all students. Screenings will be conducted annually, according to State Guidelines. Parents/guardians will be alerted to any concerns arising from screenings. If you have any questions or concerns, please contact the school nurse.

IMMUNIZATIONS: The State of New Jersey requires certain immunizations for all students. Please provide a doctor's note when your child receives an immunization that includes the month, date, and year that it was given.

PHYSICAL EXAMINATIONS: ALL new students are required to have a physical examination by your family health care provider within thirty (30) days. (This includes kindergarten and transfer students.) Documentation of this exam must be submitted to the school nurse. It is also **highly** recommended that physical exams be repeated in grades 4, 7, and 11. Physical Exam Forms can be obtained from the nurse's office.

MEDICATION

No medication shall be administered to students in school, except by the school nurse once all of the following requirements have been fulfilled.

1. Parent must submit a written order for the medication from the student's physician, explaining:
 - a) Purpose of the medication
 - b) Instructions to dispense the medication, including dosage and time
 - c) Length of time the medication will be needed
2. Medication must be delivered to the school nurse by the parent/guardian in its original, prescription labeled container from the pharmacy.
3. Parent/guardian must submit a written request to the school nurse to administer the medication as prescribed by the family physician, and shall release the school personnel of any liability. Forms are available in the nurse's office.
4. These requirements apply to **ALL** medication*, **including over-the-counter remedies.**

***NOTE: Non-prescription medications such as aspirin, Tylenol, eye drops, allergy medications, cough drops, etc. are considered medicines. Students are not permitted to use any over-the-counter medicinal items unless prescribed by a physician and requested using the above procedure.**

COMMUNICATION BETWEEN PARENTS & TEACHERS

VMS believes that parents and teachers are partners in the educational process. Within this cooperative working relationship, parents/guardians have the right to know how their children are progressing in school.

Methods of communication may include telephone contact, email, parent-teacher conferences, progress reports, and quarterly report cards. Parents/guardians are encouraged to participate in the educational process and to feel free to initiate contact with teachers at any time. Telephone or in-person conferences can be arranged by sending the teacher an email or by calling the main office or guidance office to schedule an appointment.

When contacting a teachers and staff directly via email or voicemail, please allow one business day (24 hours) to respond to your message before making a second contact.

In December, VMS initiates a planned Parent-Teacher Conference Night. Please check the district calendar.

Please see Policies 3283 (Electronic Communications Between Teaching Staff Members and Students) and 4283 (Electronic Communications Between Support Staff Members and Students).

SPECIAL EDUCATION SERVICES

A parent may request a Child Study Team (CST) or speech evaluation for their son/daughter by putting their request in writing to the building principal or Director of Special Education. This written request is considered a referral. A CST member or speech therapist will contact the parent to schedule an Evaluation Planning Meeting within 20 days of the receipt of the referral. The purpose of the Evaluation Planning Meeting is to discuss whether or not the district will proceed with a speech or a CST evaluation. Except in certain circumstances, pre-referral interventions through the I&RS process should be implemented prior to a referral to the CST. For questions regarding district special education services please contact the district special education department at 201-998-6800 or you access the online district regulation 2460.

HOMEWORK POLICY

Homework is a major component of our Middle School program. As an academic activity engaged in by students outside of the classroom setting, homework is indeed an extension of the school day. The primary objective of homework is to foster a sense of student responsibility and autonomy regarding the learning process through meaningful tasks that require time management and decision-making skills.

Homework serves a valid purpose and is never to be used as a punitive measure. Homework is assigned to reinforce concepts introduced in the classroom. Homework is designed to:

- 1) Encourage the development of self-discipline and integrity within each student.
- 2) Provide essential practice in academic skills.
- 3) Provide opportunities to find sources and gather data.
- 4) Enrich and extend classroom experiences while building successful work habits.

AMOUNT OF HOMEWORK: The amount of time which students will spend on homework will vary due to individual differences. However, it is believed that students should be assigned homework on a daily basis. The following time allocations are *suggested* guidelines for homework. It is conceivable that there may be times when no homework is assigned, while it is also possible that there may be times when more homework that stated below will be necessary.

Grade 6 = 1 hour and 30 minutes daily
 Grade 7 = 1.5 hours to 2 hours daily
 Grade 8 = 1.5 hours to 2 hours daily

If a student consistently states that he/she has no homework or that it has been completed in school, parents should contact the teacher(s) or guidance counselor for verification.

ROLE OF STUDENT: Students should regard homework as a serious task and should accept full responsibility for the completion of homework in a timely manner. Students are expected to ask questions

concerning homework assignments prior to leaving school, and to request teacher assistance for clarification when necessary.

ROLE OF PARENT: Homework is the responsibility of the student. However, students need support and encouragement from their families. Parents and guardians are expected to provide a home atmosphere that is conducive to productive work habits. Parents and guardians are encouraged to take a serious interest in a child's homework by helping children to budget time for immediate and long-term assignments, by providing a quiet area for a child to work, and by offering assistance which also enables a student to think for himself/herself when completing assignments.

HOMEWORK REQUESTS DUE TO ABSENCES: If a student is absent for more than one day and a parent wishes to pick up missed homework, this request must be called into the school office by 8:30 am. Homework is to be picked up in the main office at the end of the school day.

CHEATING AND PLAGIARISM

CHEATING

Representing someone else's work as your own is dishonest and fraudulent. It diminishes the individual student and the school community as a whole. Cheating is defined as representing another's work as your own or taking someone else's ideas. This includes, but is not limited to, test answers, research/thesis papers, standardized exams, creative projects, homework, lab assignments, and oral presentations. Using unauthorized assistance or providing another student with the opportunity to cheat on any assignment may result in the following actions:

- receive a grade of zero for that work—no exceptions
- parents will be notified and a conference may be held with the teacher, student, parents, guidance counselor, and/or an administrator
- receive an incomplete for the course
- additional discipline may be enforced at the discretion of the principal or assistant principal.

PLAGIARISM AND COPYRIGHT INFRINGEMENT

If plagiarism or copyright infringement occurs on a term/thesis paper or any other assignment the following actions may be taken:

- reported to administration.
- redo the assignment to the satisfaction of the teacher
- receive a grade of 0 or an incomplete for the course
- a conference may be held with the teacher, student, parents, guidance counselor, and/or an administrator
- additional discipline may be enforced at the discretion of administration.

A student who has a second incident of plagiarism or copyright infringement on an assignment or test will receive a grade of no greater than a 50 for that marking period. Additional discipline may be enforced at the discretion of the Administration. Programs, such as Turnitin.com and other tools, can be used to verify the authenticity of the work.

MAKEUP WORK

All classwork and homework assignments missed due to absence are to be made up with a time period specified by the classroom teacher or administrator. Work not submitted by the deadline may be averaged into the student's marking period grade as a zero. **The student is expected to show initiative in seeking out a teacher** to determine what assignments were missed and when these shall be due. Work can be requested for any student involved in an extended absence.

GRADING SYSTEM

GRADING SYSTEM: In accordance with district regulation 2624 (Grading System) a final grade is calculated by multiplying the four marking periods, plus the average of the final exam and dividing by nine.

A marking period final grade may include projects, papers, tests, quizzes, laboratory performance, effort, homework, and class participation. Students and parents should refer to their individual teacher's syllabus for

specific expectations and guidelines. Pupils who are removed from class for behavioral reasons or cut class are subject to receiving a zero for all work missed and shall not have the option to make up missed work.

GRADING POLICIES: Grading policies are developed by department.

GRADE VALUES:

- A = 90-100
- B = 80-89
- C = 70-79
- D = 65-69
- F = 64 or below (fail)
- P = Pass
- I = Incomplete
- MED = Medical
- WP = Withdrawn Passing
- WF = Withdrawn Failing
- NG = No Grade Assigned
- AUD = Audit

INCOMPLETE GRADES

A grade of “Incomplete” will be given to those pupils unable to complete the work assigned to the course for reasons beyond the pupil’s control, such as the pupil’s disability.

- a. A teacher who submits a grade of incomplete will accompany the grade with a reasonable estimate of the amount of time the pupil will require to complete the work necessary for the granting of credit. (ten days with the exception of medical excuse)
- b. Except as may be required by unusual circumstances, make up work should be completed within ten days of the end of the marking period or, if the pupil is disabled at the end of the marking period, two weeks after the pupil’s return to school.
- c. The pupil’s completed work will be graded and the teacher will submit a grade, which will replace the incomplete grade on the pupil’s transcript.
- d. A pupil who does not complete the work within the period allowed will receive the grade earned for the assignment.

HONOR ROLL

FIRST HONORS

A student must achieve a minimum grade of no less than a 90 in each of the following subjects to achieve first honors for a particular marking period: Physical Education/Health, Language Arts, Mathematics, Science, Social Studies and all elective/lab courses.

SECOND HONORS

A student must achieve a minimum grade of no less than an 85 in each of the following subjects to achieve second honors for a particular marking period: Physical Education/Health, Language Arts, Mathematics, Science, Social Studies and all elective/lab courses.

A student who receives an incomplete will not be eligible for first or second honors for that particular marking period.

GIFTED AND TALENTED

The educational program offered to gifted and talented students will encourage and challenge them in the specific areas of their abilities, but will not replace the basic instructional program of the various grades of this district. The program offered to gifted and talented students may include, but are not limited to: pull-out programs; classroom differentiated instruction; acceleration; flexible pacing; compacted curricula; distance learning; advanced classes; or individual programs infused into the student’s regular instructional program, provided that a written description of the infusion has been prepared and filed in the student’s record.

PARENT PORTAL

REPORT CARDS: Student report cards are posted on the Parent Portal four times a year. See the school calendar for specific dates.

Please note that since information is available 24 hours a day in real time, students in grades 6-8 do not receive printed report cards each marking period.

PROGRESS REPORTS: Teachers will complete interim progress reports each marking period. These progress reports are available on the Parent Portal. See the school calendar for specific dates. Progress Reports serve as indicators of academic concerns and should not be misconstrued as notice of “guaranteeing” a specific grade.

PARENT PORTAL: Online access to grades, attendance, and other student information is available through Realtime, a web-based information system. Parents are expected to log into the Parent Portal system with their children on a regular basis to stay informed of academic progress, assignment information, and grades.

To access the Parent Portal, go to <https://www.fridayparentportal.com/northarlington> (or visit the NA district website www.navikings.org and click on the Parent Portal link).

For access to this site, or for login assistance, please contact the NAMS guidance counselors at (201) 991-6800 x2211 or x 2304

PROMOTION AND RETENTION

To be promoted to the next grade, a student must receive a final passing grade in the following courses: Language Arts, Mathematics, Science, Social Studies, and Physical Education/Health. With the approval of the principal, a student may attend an approved summer school program to make up failed subjects. The student must successfully pass the subject(s) in summer school in order to be promoted to the next grade. **A student who fails more than two (2) subjects will not be eligible for summer school and must repeat the grade.**

8th GRADE PROMOTION CEREMONY

While the 8th Grade Promotion Ceremony is a memorable experience in a student’s life, it is not one that should be achieved without meeting high standards. The VMS Promotion Ceremony celebrates the success of students who have worked hard and fulfilled certain expectations in their studies and social conduct, in preparation for high school.

In order for a student to participate in the 8th Grade Promotion Ceremony:

- *He/she must be present on the last day of school in order to participate in the end-of-year activities.*
- *He/she must receive a final passing grade in the following courses: Language Arts, Mathematics, Science, Social Studies, and Physical Education.*
- *Any 8th grade student who attends summer school will not be able to participate in the promotion ceremony and will not receive a certificate until summer school credit(s) have been fulfilled.*

CODE OF CONDUCT

The goal of the Middle School’s discipline policy is to help students develop self-control and responsibility, not just for the sake of compliance alone. Our discipline policy assumes that each adult associated with North Arlington Middle School is responsible for helping students learn appropriate responses. We are committed to the belief that each child has a right to learn, and that each teacher has an obligation and a right to teach in a safe academic environment.

Students are expected to:

- Know and exercise positive modes of behavior and good manners.

DISCIPLINE PROCEDURES

EVERY student begins each day with a clean slate in EVERY classroom.

When a student does not cooperate, interrupts the learning environment, and/or jeopardizing the safety of others, the following steps are recommended:

- 1st time a student breaks a class rule = Teacher detention
- 2nd time a student breaks a class rule = Additional Teacher Detention-Parent notified by teacher
- 3rd time a student breaks a class rule = Central Detention-Parent notified by administration
- Any further violation = Referral to school administration with possible In/Out-of-School suspension.

Teachers are expected to deal with classroom discipline problems in a manner which reflects a positive attitude towards students and reinforces the policies of the Board of Education. There are certain behaviors that are inappropriate regardless of where they occur. Those behaviors require administrative intervention, as they impact the quality of school life for all students, teachers, and visitors. All students responsible for these behaviors will be directed to the office.

DISCIPLINARY MANAGEMENT PLAN: Any violation of district and/or school rules may result in administrative disciplinary action based upon the severity or frequency of an offense. However, there could be a progression to disciplinary assignments, which should alert parents/guardians and the student to address behaviors before they become even more serious. Generally, *but not always, this progression* could be as follows:

- **Warnings, teacher assigned detentions, parent calls/meetings, and other creative resolutions.**
- **LD (Lunch Detention) and CD (Central Detention)** usually served within 24-48 hours of the offense.

- **ISS (In-School Suspension)** is suspension assigned during the school day. Students assigned to ISS are to remain after school until 3:15 pm.
- **OSS (Out-of-School Suspension)** is suspension assigned for one or more days when a student is not permitted to attend school or any school functions. The student's parents/guardians are responsible for the student during this time. Any student assigned Out-of-School Suspension is not permitted to attend any school function and will not be readmitted to school until a conference is held with parent/guardian, the student, and a school official.

TEACHER DETENTION: Reasons a student may be assigned a detention, at the teacher's discretion, are not limited to:

- Failure to follow classroom rules
- Insubordination
- Excessive tardiness to class

CENTRAL DETENTION: Reasons a student may be assigned a Central Detention are not limited to:

- Harassment, intimidation, and/or bullying of another student
- Use of profanity or obscene gestures directed at another student or teacher
- Disrupting the learning environment
- Excessive tardiness to class(es) or school
- Failure to report to an assigned teacher detention/lunch detention

Central Detention is held Monday through Friday, 2:20 – 3:15 pm. See office for location.

ISS/OSS: Repeated violations of school rules and regulations may result in the student being suspended from school. Students involved in the following activities will virtually guarantee the assignment of an In-School or Out-of-School Suspension:

- Inappropriate physical contact of any nature with another student
- Continual harassment, intimidation, and/or bullying
- Cutting a class and/or truancy
- Multiple violations of School Dress Code
- Failure to report to a Central Detention
- Bringing any weapons to school (or using an otherwise harmless instrument as a weapon)
- Being in possession of or using drugs in school or at a school-sponsored function
- Involvement in vandalism resulting in destruction of school property, teacher's property, or another student's property
- Smoking/use/possession of a vaporizer device on school property or at any school-sponsored function

LOSS OF PRIVILEGES: Extracurricular activities are special privileges offered to enhance the student's overall learning experience. Field trips, attendance at assemblies, end-of-the-year activities (Field Day, 8th Grade BBQ, etc.) and other special events are also privileges, not rights. Any privilege may be revoked at any time due to academic concerns and/or disciplinary issues.

STUDENT BELONGINGS

The district discourages students from wearing or carrying expensive or valued items. **THE SCHOOL IS NOT RESPONSIBLE FOR LOST OR STOLEN ITEMS.** Any items that could be either distracting or dangerous to others are not permitted in school and will be confiscated. Possession of some items may result in suspension.

TEXTBOOKS AND SCHOOL MATERIALS

All students are issued books and/or materials at the beginning of the year for which they are responsible at all times. These materials must be returned to the school at the end of the school year. Failure to return school property in the same condition as it was issued will lead to the levying of fines. These fines are necessary to replace lost or damaged instructional materials. Final report cards, transcripts, schedules, etc. will be withheld if books, materials, or money are owed. **All schoolbooks are to be kept covered at all times.**

LOCKERS

A locker is assigned to each individual student for his/her personal use. School lockers remain the property of the district even when students use them. Lockers are subject to administrative search in the interests of school safety, sanitation, discipline, and enforcement of school regulations. Law enforcement officials, upon presentation of a proper warrant, also may search lockers.

State law codified at N.J.S.A. 18A: 36-19.2 expressly provides that:

The principal or other officials designated by the local board of education may inspect lockers or other storage facilities provided for use by students so long as students are informed in writing at the beginnings of each school year that the inspections may occur.

- The combination to every locker is changed each year.
- **Lockers are to be kept LOCKED at all times.**
- **Students are NOT to give their combination to anyone.**
- **Students are NOT to share lockers.**
- Students are discouraged from storing money, jewelry, or any other valuables in school lockers.
- The school is not responsible for any items lost or stolen from lockers.

- It is expected that the locker will be kept clean. Regular locker clean-out sessions will be provided during the school year.

Students are not permitted to carry backpacks, book bags, tote bags, etc. during the school day. They are to be used to transport school materials to and from school. All bags must be kept in lockers. Any

personal bag large enough to carry a book is considered a book bag and may not be carried during the school day.

HALL PASSES

Students must secure permission from a teacher before leaving a classroom during class periods. Students will sign out before they leave the room. The sign out record will include student's name, date/time, and destination.

If a student finds it necessary to see the nurse, he/she should first report to class and ask at the beginning of the period to be excused. The regular procedure for issuing a pass should be followed. To ensure student safety in the event of a building crisis/evacuation, it is imperative that students do not report directly to the nurse's office without first notifying the classroom teacher.

When requesting to use the restroom, students must fill out the log sheet provided by the teacher.

LUNCH – CAFETERIA & LUNCH-WAIT

- Our district, in cooperation with the Federal Government, offers a free and reduced lunch program. Please complete the application provided at the beginning of the school year and return it to your child's homeroom teacher.

FIELD TRIPS

Field trips utilize community resources to further education opportunities for students within the framework of curriculum objectives and school goals. A field trip is a logical extension of the classroom. As such, the same

high standards of student decorum and behavior are expected on field trips, just as in the classroom. A student must have the signature of a parent/guardian on the field trip permission form in order to participate. **NO NORTH ARLINGTON EMPLOYEE, OTHER THAN A SCHOOL NURSE, MAY ADMINISTER MEDICATION ON A FIELD TRIP.** Student misbehavior that is documented either through a teacher's classroom management plan or the administrative management plan will result in that student's exclusion from any upcoming and future field trips.

PHYSICAL EDUCATION

All students are required by NJ State Law to participate in physical education class. Students must receive a passing grade for their health and physical education class in order to be promoted to the next grade. Students who fail to receive a passing grade in health/physical education must attend summer school to receive credit.

FOOTWEAR: Students must wear athletic sneakers on days he/she is scheduled to have gym class. The sneakers must tie or Velcro. Failure to adhere to the footwear requirement will result in zero credit for those activities missed.

During poor weather conditions when students would usually wear boots to school, sneakers should be carried in a bag or backpack and put on at their lockers before homeroom. Students will not be allowed back to their locker at any point of the day to change their shoes.

UNIFORM POLICY:

- Sweatpants are permitted. **Sweatpants must be black with no visible logo.**
- Black and Khaki shorts (Bermuda style or cargo shorts are acceptable); **All shorts must be knee length**
- **Black athletic shorts** are permitted. **Shorts must be knee length with no visible logo.**

JEWELRY: Watches and jewelry (chains, rings, earrings, bracelets, noserings, pins, etc.) may not be worn during gym class. These valuable items should be secured at home the day of class, or in the student's locker if necessary. Watches and jewelry should not be left in the gymnasium, the Phys. Ed. Office, or the playground.

EXCUSE FROM CLASS: Students who are to be excused from taking physical education must bring in a note signed by a parent or guardian for the school nurse. The note must detail the reason for the requested excuse. Students will be excused for ONE day only with a parent note, any days after that students will need a medical excuse from a doctor to stay out of physical education class.

If a student gets injured during physical education class, he/she **MUST** report it to one of the PE teachers and a pass will be given to the nurse's office during PE class time.

NO SMOKING ON SCHOOL PROPERTY

Please be aware that it is illegal to smoke or use a vaporizer device on school grounds and in school buildings.

NO PETS ON SCHOOL PROPERTY

Please do not bring dogs or other animals onto school grounds. While many dogs accompanying owners are leashed and well behaved, a number of our students and parents are afraid of dogs of any size. Having a dog on the property could result in an accident should a dog become excited by running children or strange noises that often present themselves on our grounds.

EMERGENCY CONTACTS

It is imperative that the school has accurate information regarding emergency calls. Please be sure that all phone numbers are accurate. If you change a phone number, we must be informed. It is important that parents arrange to have emergency contacts in place and that they are local, as time is crucial in emergency situations.

A. Policy Statement

The Board of Education prohibits acts of harassment, intimidation, or bullying of a student. A safe and civil environment in school is necessary for students to learn and achieve high academic standards. Harassment, intimidation, or bullying, like other disruptive or violent behaviors, is conduct that disrupts both a student’s ability to learn and a school’s ability to educate its students in a safe and disciplined environment. Harassment, intimidation, or bullying is unwanted, aggressive behavior that may involve a real or perceived power imbalance. Since students learn by example, school administrators, faculty, staff and volunteers should be commended for demonstrating appropriate behavior, treating others with civility and respect, and refusing to tolerate harassment, intimidation, or bullying.

For the purposes of this Policy, the term "parent," pursuant to N.J.A.C. 6A:16-1.3, means the natural parent(s); adoptive parent(s); legal guardian(s); foster parent(s); or parent surrogate(s) of a student. When parents are separated or divorced, "parent" means the person or agency which has legal custody of the student, as well as the natural or adoptive parent(s) of the student, provided parental rights have not been terminated by a court of appropriate jurisdiction.

B. Harassment, Intimidation, and Bullying Definition

“Harassment, intimidation, or bullying” means any gesture, any written, verbal or physical act, or any electronic communication, as defined in N.J.S.A. 18A:37-14, whether it be a single incident or a series of incidents that:

1. Is reasonably perceived as being motivated by either any actual or perceived characteristic, such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression, or a mental, physical or sensory disability, or by any other distinguishing characteristic;
2. Takes place on school property, at any school-sponsored function, on a school bus, or off school grounds, as provided for in N.J.S.A. 18A:37-15.3;
3. Substantially disrupts or interferes with the orderly operation of the school or the rights of other students; and that
 - a. A reasonable person should know, under the circumstances, that the act(s) will have the effect of physically or emotionally harming a student or damaging the student’s property, or placing a student in reasonable fear of physical or emotional harm to their person or damage to their property; or
 - b. Has the effect of insulting or demeaning any student or group of students; or

c. Creates a hostile educational environment for the student by interfering with a student's education or by severely or pervasively causing physical or emotional harm to the student.

Schools are required to address harassment, intimidation, and bullying occurring off school grounds, when there is a nexus between the harassment, intimidation, and bullying and the school (e.g., the harassment, intimidation, or bullying substantially disrupts or interferes with the orderly operation of the school or the rights of other students).

"Electronic communication" means a communication transmitted by means of an electronic device, including, but not limited to: a telephone, cellular phone, computer, or pager.

C. Student Expectations

The Board expects students to conduct themselves in keeping with their levels of development, maturity and demonstrated capabilities with proper regard for the rights and welfare of other students and school staff, the educational purpose underlying all school activities and the care of school facilities and equipment consistent with the Code of Student Conduct.

The Board believes that standards for student behavior must be set cooperatively through interaction among the students, parents, school employees, school administrators, school volunteers, and community representatives, producing an atmosphere that encourages students to grow in self-discipline. The development of this atmosphere requires respect for self and others, as well as for school district and community property on the part of students, staff, and community members.

Students are expected to behave in a way that creates a supportive learning environment. The Board believes the best discipline is self-imposed, and it is the responsibility of staff to use instances of violations of the Code of Student Conduct as opportunities to help students learn to assume and accept responsibility for their behavior and the consequences of their behavior. Staff members who interact with students shall apply best practices designed to prevent student conduct problems and foster students' abilities to grow in self-discipline.

The Board expects that students will act in accordance with the student behavioral expectations and standards regarding harassment, intimidation, and bullying, including:

1. Student responsibilities (e.g., requirements for students to conform to reasonable standards of socially accepted behavior; respect the person, property and rights of others; obey constituted authority; and respond to those who hold that authority);
2. Appropriate recognition for positive reinforcement for good conduct, self-discipline, and good citizenship;
3. Student rights; and
4. Sanctions and due process for violations of the Code of Student Conduct.

Pursuant to N.J.S.A. 18A:37-15(a) and N.J.A.C. 6A:16-7.1(a)1, the district has involved a broad-base of school and community members, including parents, students, instructional staff, student support services staff, school administrators, and school volunteers, as well as community organizations, such as faith-based, health and human service, business and law enforcement, in the development of this Policy. Based on locally determined and accepted core ethical values adopted by the Board, pursuant to N.J.A.C. 6A:16-7.1(a)2, the Board must develop guidelines for student conduct pursuant to N.J.A.C. 6A:16-7.1. These guidelines for student conduct will take into consideration the developmental ages of students, the severity of the offenses and students' histories of inappropriate behaviors, and the mission and physical facilities of the individual school(s) in the district. This Policy requires all students in the district to adhere to the rules established by the school district and to submit to the remedial and consequential measures that are appropriately assigned for infractions of these rules.

Pursuant to N.J.A.C. 6A:16-7.1, the Superintendent must annually provide to students and their parents the rules of the district regarding student conduct. Provisions shall be made for informing parents whose primary language is other than English.

The district prohibits active or passive support for acts of harassment, intimidation, or bullying. Students are encouraged to support other students who:

1. Walk away from acts of harassment, intimidation, and bullying when they see them;
2. Constructively attempt to stop acts of harassment, intimidation, or bullying;
3. Provide support to students who have been subjected to harassment, intimidation, or bullying; and

4. Report acts of harassment, intimidation, and bullying to the designated school staff member.

D. Consequences and Appropriate Remedial Actions

The Board of Education requires its school administrators to implement procedures that ensure both the appropriate consequences and remedial responses for students who commit one or more acts of harassment, intimidation, or bullying, consistent with the Code of Student Conduct. The following factors, at a minimum, shall be given full consideration by school administrators in the implementation of appropriate consequences and remedial measures for each act of harassment, intimidation, or bullying by students.

Consequences – Students

Consequences for a student who commits one or more acts of harassment, intimidation, or bullying may range from positive behavioral interventions up to and including suspension or expulsion of students, as set forth in the Board's approved Code of Student Conduct pursuant to N.J.A.C. 6A:16-7.1. Consequences for a student who commits an act of harassment, intimidation, or bullying are those that are varied and graded according to the nature of the behavior; the nature of the student's disability, if any, and to the extent relevant; the developmental age of the student; and the student's history of problem behaviors and performance consistent with the Board's approved Code of Student Conduct and N.J.A.C. 6A:16-7, Student Conduct. The use of negative consequences should occur in conjunction with remediation and not be relied upon as the sole intervention approach.

Factors for Determining Consequences – Student Considerations

1. Age, developmental and maturity levels of the parties involved and their relationship to the school district;
2. Degrees of harm;
3. Surrounding circumstances;
4. Nature and severity of the behavior(s);

6. Relationships between the parties involved; and
7. Context in which the alleged incidents occurred.

Factors for Determining Consequences – School Considerations

2. Social, emotional, and behavioral supports;
3. Student-staff relationships and staff behavior toward the student;

5. Referral to disciplinarian;
6. In-school suspension;
7. Out-of-school suspension (short-term or long-term);
8. Reports to law enforcement or other legal action; or
9. Expulsion.

In accordance with N.J.S.A. 18A:37-15.b.(4), the consequences for a student who commits an act of harassment, intimidation, or bullying may vary depending on whether it is the first act of harassment, intimidation, or bullying by a student, the second act, or third or subsequent acts. If it is the third or subsequent act of harassment, intimidation, or bullying by a student, the Principal, in consultation

with appropriate school staff, shall develop an individual student intervention plan which shall be approved by the Superintendent or designee, and may require the student, accompanied by a parent, to complete in a satisfactory manner a class or training program to reduce harassment, intimidation, or bullying behavior.

Appropriate Remedial Actions – Students

Appropriate remedial action for a student who commits an act of harassment, intimidation, or bullying that takes into account the nature of the behavior; the nature of the student’s disability, if any, and to the extent relevant; the developmental age of the student; and the student’s history of problem behaviors and performance. The appropriate remedial action may also include a behavioral assessment or evaluation including, but not limited to, a referral to the Child Study Team as appropriate; and supportive interventions and referral services, including those at N.J.A.C. 6A:16-8.

The consequences and remedial measures may include, but are not limited to, the examples listed below:

Districts should identify a range of strategies and resources that will be available to individual victims of harassment, intimidation, and bullying, and respond in a manner that provides relief to victims and does not stigmatize victims or further their sense of persecution. The type, diversity, location, and degree of support are directly related to the student's perception of safety.

Sufficient safety measures should be undertaken to ensure the victim's physical and social-emotional well-being and their ability to learn in a safe, supportive, and civil educational environment.

E. Harassment, Intimidation, and Bullying Reporting Procedure

The Board of Education requires the Principal at each school to be responsible for receiving complaints alleging violations of this Policy. All Board members, school employees, and volunteers and contracted service providers who have contact with students are required to verbally report alleged violations of this Policy to the Principal or the Principal's designee on the same day when the individual witnessed or received reliable information regarding any such incident. All Board members, school employees, and volunteers and contracted service providers who have contact with students, also shall submit a report in writing to the Principal within two school days of the verbal report. The written report shall be on a numbered form developed by the New Jersey Department of Education in accordance with N.J.S.A. 18A:37-15.b.(5). A copy of the form shall be submitted promptly by the Principal to the Superintendent.

The Principal or designee will inform the parents of all students involved in alleged incidents, and, as appropriate, may discuss the availability of counseling and other intervention services. The Principal or designee shall keep a written record of the date, time, and manner of notification to the parents. The Principal or designee shall take into account the circumstances of the incident when providing notification to parents of all students involved in the reported harassment, intimidation, or bullying incident and when conveying the nature of the incident, including the actual or perceived protected category motivating the alleged offense. The Principal, upon receiving a verbal or written report, may take interim measures to ensure the safety, health, and welfare of all parties pending the findings of the investigation.

Students, parents, and visitors are encouraged to report alleged violations of this Policy to the Principal on the same day when the individual witnessed or received reliable information regarding any such incident.

A person may report, verbally or in writing, an act of harassment, intimidation, or bullying committed by an adult or youth against a student anonymously. The Board will not take formal disciplinary action based solely on the anonymous report. The district shall provide a means for a parent to complete an online numbered form developed by the New Jersey Department of Education to confidentially report an incident of harassment, intimidation, or bullying.

A Board member or school employee who promptly reports an incident of harassment, intimidation, or bullying and who makes this report in compliance with the procedures set forth in this Policy, is immune from a cause of action for damages arising from any failure to remedy the reported incident.

In accordance with the provisions of N.J.S.A. 18A:37-18, the harassment, intimidation, and bullying law does not prevent a victim from seeking redress under any other available law, either civil or criminal, nor does it create or alter any tort liability.

The district may consider every mechanism available to simplify reporting, including standard reporting forms and/or web-based reporting mechanisms. For anonymous reporting, the district may consider locked boxes located in areas of a school where reports can be submitted without fear of being observed.

A school administrator who receives a report of harassment, intimidation, and bullying from a district employee, and fails to initiate or conduct an investigation, or who should have known of an incident of harassment, intimidation, or bullying and fails to take sufficient action to minimize or eliminate the harassment, intimidation, or bullying, may be subject to disciplinary action.

- a. Chair the School Safety/School Climate Team as provided in N.J.S.A. 18A:37-21;

3. A School Safety/School Climate Team shall be formed in each school in the district to develop, foster, and maintain a positive school climate by focusing on the on-going systemic operational procedures and educational practices in the school, and to address issues such as harassment, intimidation, or bullying that affect school climate and culture. Each School Safety/School Climate Team shall meet, at a minimum, two times per school year. The School Safety/School Climate Team shall consist of the Principal or the Principal's designee who, if possible, shall be a senior administrator in the school and the following appointees of the Principal: a teacher in the school; a school Anti-Bullying Specialist; a parent of a student in the school; and other members to be determined by the Principal. The school Anti-Bullying Specialist shall serve as the chair of the School Safety/School Climate Team.

The School Safety/School Climate Team shall:

- a. Receive records of all complaints of harassment, intimidation, or bullying of students that have been reported to the Principal;

f. Participate in the training required pursuant to the provisions of N.J.S.A. 18A:37-13 et seq. and other training which the Principal or the district Anti-Bullying Coordinator may request. The School Safety/School Climate Team shall be provided professional development opportunities that may address effective practices of successful school climate programs or approaches; and

g. Execute such other duties related to harassment, intimidation, or bullying as requested by the Principal or district Anti-Bullying Coordinator.

Notwithstanding any provision of N.J.S.A. 18A:37-21 to the contrary, a parent who is a member of the School Safety/School Climate Team shall not participate in the activities of the team set forth in 3. a., b., or c. above or any other activities of the team which may compromise the confidentiality of a student, consistent with, at a minimum, the requirements of the Family Educational Rights and Privacy Act (20 U.S.C. Section 1232 and 34 CFR Part 99), N.J.A.C. 6A:32-7, Student Records and N.J.A.C. 6A:14-2.9, Student Records.

G. Harassment, Intimidation, and Bullying Investigation

The Board requires a thorough and complete investigation to be conducted for each report of violations and complaints which either identify harassment, intimidation, or bullying or describe behaviors that indicate harassment, intimidation, or bullying.

Principal's Preliminary Determination

However, prior to initiating the investigation, the Principal or designee, in consultation with the Anti-Bullying Specialist, may make a preliminary determination as to whether the reported incident or complaint, assuming all facts presented are true, is a report within the scope of the definition of harassment, intimidation, and bullying under the Anti-Bullying Bill of Rights Act, N.J.S.A. 18A:37-14.

The Principal shall report to the Superintendent if a preliminary determination is made that the reported incident or complaint is a report outside the scope of the definition of harassment, intimidation, or bullying. The Superintendent may require the Principal to conduct an investigation of the incident if the Superintendent determines that an investigation is necessary because the incident is within the scope of the definition of harassment, intimidation, and bullying. The Superintendent shall notify the Principal of this determination in writing. An investigation required by the Superintendent must be completed as soon as possible, but not later than ten school days, from the date of the written notification from the Superintendent to the Principal.

The Principal shall complete the written report form developed by the New Jersey Department of Education, in accordance with N.J.S.A. 18A:37-15.b.(5), even if a preliminary determination is made that the reported incident or complaint is a report outside the scope of the definition of harassment, intimidation, or bullying pursuant to N.J.S.A. 18A:37-14. This written report form shall be kept on file at the school, but shall not be included in any student record unless the incident results in disciplinary action or is otherwise required to be contained in a student's record under State or Federal law.

The Principal or designee, upon making a preliminary determination the incident or complaint is not within the scope of the definition of harassment, intimidation, and bullying, shall inform the parents of the parties involved, who may appeal the preliminary determination to the Board of Education and thereafter to the Commissioner of Education in accordance with N.J.A.C. 6A:3.

A Board hearing shall be held within ten business days of receipt of the request for a Board hearing. If the preliminary determination, upon review of the facts presented in the reported incident or complaint, is to continue with the harassment, intimidation, and bullying investigation, the investigation shall be completed in accordance with N.J.S.A. 18A:37-15.b.(6) and this Policy.

The Superintendent shall provide annually to the Board of Education information on the number of times a preliminary determination was made that an incident or complaint was outside the scope of the definition of harassment, intimidation, or bullying for the purposes of the State's monitoring of the school district pursuant to N.J.S.A. 18A:17-46.]

The investigation shall be initiated by the Principal or the Principal's designee within one school day of the verbal report of the incident. The investigation shall be conducted by the school Anti-Bullying Specialist in coordination with the Principal. The Principal may appoint additional personnel who are not school Anti-Bullying Specialists to assist with the investigation.
