

REMOTE INSTRUCTIONAL GUIDE

NORTH ARLINGTON PUBLIC SCHOOL DISTRICT

During the 2021-2022 school year, students may be recommended to self-quarantine due to COVID19. In those instances, the North Arlington Public School District will provide remote instructional services for quarantined students. Please thoroughly review the expectations highlighted in this document. **Please Note:** Students who are not recommended to self-quarantine shall not be permitted to attend any classes remotely.

Self-Quarantine Overview

Teachers will follow an instructional check-in schedule throughout the school day. In order to facilitate remote instruction, all classrooms will continue the use of Google Meet within Google Classroom (PreK-12). Elementary students (PreK-5) and secondary students (6-12) will follow age-appropriate schedules, as noted within this document. The partnership between our schools and families is essential to the success of remote instruction.

Google Guardian

Please check your email for a *Google Guardian* invitation. If you have not already received an invitation, you will receive one by Wednesday, September 22, 2021. *Google Guardian* will allow participating family members to receive updates directly from the Google Classroom.

Pre-K- Grade 5 Guidelines

- There will be a minimum of 3 instructional mini-lessons per day, covering major subject areas.
 - A schedule for students to engage in Google Meets for live instruction will be posted daily in Google Classroom.
 - Students are expected to keep their cameras on during Google Meet sessions.
- Once each mini-lesson is complete, asynchronous activities and assignments will be assigned in Google Classroom.
- Asynchronous activities will be directly connected to in-person student learning objectives.
- After school help will continue to be provided to all struggling learners, including remote students.
- Specials will continue to take place within the Google Classroom, with as much remote student participation as possible.

Grades 6-12 Guidelines

- Quarantined students will attend each class remotely at the start of every period, via a live Google Meet.
 - Students are expected to keep their cameras on during Google Meet sessions.
- Teachers will deliver a live mini-lesson.
- Once the lesson is complete, asynchronous activities will be assigned in Google Classroom for the remainder of the period.
- Asynchronous activities will be directly connected to in-person student learning objectives.
- The teacher may check in with students prior to the end of the period, as needed, in Google Classroom.
- After school help will continue to be provided to all struggling learners, including remote students.
- Specials will continue to take place within the Google Classroom, with as much remote student participation as possible.

IEPs

All students' IEPs will continue to be followed remotely. All specific questions should be directed to the Child Study Team (CST) and/or the Director of Special Education, Mr. Burke.

Related Services

The Director of Special Education and/or CST will coordinate any related-services for students who are learning remotely.

Thank you, North Arlington Families!
