### Central Detention

Central Detention is issued for disciplinary purposes, perpetual absences, tardiness, etc. and is typically held Tuesday through Friday, commencing five minutes after the day’s end. Students attending detention will be dismissed at 3:45 PM. ***Students are only permitted to complete school work only during detention.*** In some cases, as structured by the Principal or Assistant Principal, morning detention (7:15 AM) may be assigned. Also, in some cases, detention can be served in the main office at the discretion of the Administration.

**Work/Employment does not excuse a student from detention. Athletic events/extracurricular activities also do not excuse a student from detention. Students can avoid detention by simply obeying school rules.**

Failure to attend central detention will result in further discipline that may include additional central detentions, Saturday/Friday detention, suspension, etc. Students who fail to serve central detentions may not participate in any sports, clubs, trips, dances, etc. Any funds paid for these activities will be lost.

### Teacher Detention

Teacher Detention can also be assigned at the discretion of the classroom teacher. Teacher detention can be assigned for disciplinary infractions, perpetual tardiness, etc. Students who do not attend teacher detention when assigned will be reported to the administration. Failure to attend teacher detention will result in discipline, including but not limited to central detention, lunch detention, Saturday/Friday detention, suspension, etc.

### Saturday Detention

Saturday Detention is issued for disciplinary purposes, perpetual absences, tardiness, etc. and is typically held Saturday morning beginning at approximately 7:30 AM (In some cases the Saturday Detention Program may take place on Friday Afternoon). Saturday detention is typically assigned as an alternative to suspension. ***Students are only permitted to complete school work only during detention. Athletic events/extracurricular activities also do not excuse a student from detention. Students can avoid detention by simply obeying school rules.*** Students who fail to serve Saturday Detention may not participate in any sports, clubs, trips, dances, etc. Any funds paid for these activities will be lost. Failure to attend Saturday Detention will lead to additional consequences, not limited to In-School Suspension or Suspension.

## **In-School Suspension**

In-school suspension can be issued for certain disciplinary infractions at the discretion of the building administration. Students assigned to in-school suspension, while being present to school, will be isolated from the student population. The student's scheduled teachers will provide work for all students assigned to an in-school suspension. Students assigned to in-school suspension will not be permitted to attend or take part in any school functions (before or after school) until the student is readmitted to school.

## **Suspension**

From school involves barring a child from attending regularly scheduled classes and all school activities and functions (on or off school grounds). Suspension represents the ultimate action taken in dealing with disciplinary cases. Behavior which constitutes cause for suspension shall include, but not be limited to, those behaviors enumerated in the statutes under Title 18A-37 and outlined under the District's Pupil Discipline/Code of Conduct Policy. A parent/guardian must pick up their son/daughter upon being suspended. Before the student is readmitted to school (and able to attend and take part in any school related function), a parent/guardian must accompany their child upon returning to school for a conference with the principal or assistant principal.

## **Suspension Alternative Program**

To maintain the continuity of instruction, when addressing disciplinary matters, the Suspension Alternative Program (SAP) through the Bergen County Special Services in Hackensack will be utilized.

The Suspension Alternative Program is conducted by the Bergen County Police Athletic League in collaboration with the Bergen County Special Services School District and the Bergen County Division of Family Guidance. Its mission is to provide Bergen County Students in grades 7-12 with proactive interventions that address students' emotional, behavioral, and academic functioning and serve as an alternative to out-of-school suspension. The program consists of academic makeup, clinical and therapeutic interventions, PAL participation, and mentoring by the police. The goal of the program is to enable students to develop a proactive and positive students-centered approach to change negative behavioral patterns. In addition to the academic, clinical and therapeutic intervention that this program will provide, it will also provide an alternative to suspension and help to ensure consistent student attendance.

## **DISCIPLINE DUE TO OUT OF SCHOOL BEHAVIOR**

In situations in which a "substantial disruption" occurs, the administration has the right to discipline students for incidents that take place outside of school grounds. This could include, but not limited to, inappropriate electronic communication (such as texts, posting on the internet, etc.), harassment/bullying, hazing, etc. The disciplinary consequences may include, but are not limited to central detention, Saturday detention, parent conference, suspension, etc.

The NAPD could contact the high school administration when a student is arrested or is involved in a situation in which the police are involved.

## **NOT ATTENDING CLASSES /CUTTING CLASSES**

### **First cut in any class**

An administrator will notify the parent/guardian by phone or mail. A parent/guardian conference may be arranged. Detention or other disciplinary action at the discretion of the administration will be assigned.

### **Second cut in any class**

An administrator will notify the parent/guardian by phone or mail. A parent/guardian conference may be arranged. Discipline may include suspension, Saturday Detention, or other forms of discipline at the discretion of the administration.

### **Third cumulative cut in a particular class**

An administrator will notify the parent/guardian by phone or mail; Discipline may include suspension, Saturday/Friday Detention, or other forms of discipline at the discretion of the administration. As a result of this third cut, the student will be withdrawn from the course with no course credit awarded. They must attend the course and complete all course requirements even when withdrawn in order to qualify for possible credit reinstatement during the appeals process.

### **Subsequent cuts**

A grade of zero is assigned for each subsequent cut by the classroom teacher and the grade will be held incomplete in the subject in coordination with regulation 2624 (Grading System). If a student cuts the same class again, he will be removed from the class with the loss of credit for the course and no opportunity to make it up in summer school.

## **FIGHTING/INAPPROPRIATE PHYSICAL CONTACT**

Fighting/Inappropriate physical contact on or off school grounds will not be tolerated and will be treated with zero tolerance. Fighting/Inappropriate physical contact will be defined as any verbal or physical altercation. Discipline for fighting/inappropriate physical contact will include, but is not limited to suspension, detention, central detention, etc. Fighting, in some cases, will fall under NJ State HIB laws, and those rules/regulations will be followed. At the discretion of the administration or staff member, the NAPD may be called in incidents of fighting/inappropriate physical contact.

## **THREAT TO HARM OTHERS**

Any threat to harm another individual (physical or emotional) will not be tolerated. Whether the threat is made on school property, off school property, or via electronic communication, this infraction will fall under the NAHS discipline policy. Discipline for threats made can include, but are not limited to, suspension, Saturday detention, etc. In many cases where threats are made, notification will be made to the NAPD. A psychiatric evaluation may be required with proper clearance before a student making a threat to harm oneself or others is permitted to return to school.

## **PSYCHIATRIC CLEARANCE**

A student may be required to receive psychiatric clearance if there is a suspicion that they might be of harm to themselves or others. In these cases, students must be seen by the appropriate health care professionals (to be outlined by the district). The appropriate clearance must then be provided to the school indicating that the child is not a threat to themselves or others. A parent must accompany a child returning from school after psychiatric clearance and meet with a guidance counselor and/or administrator.

## **PROFANITY**

Profanity on school grounds will not be tolerated. Discipline for the use of profanity will include, but is not limited to suspension, Saturday/Friday detention, central detention, etc. Profanity, in some cases, will fall under NJ State HIB laws, and those rules/regulations will be followed. When profanity is used in a threatening manner, the NAPD may be contacted by the administration.

counselor, administrator or other responsible adult in the school. All information will be treated in a confidential manner.

### **DATING VIOLENCE AT SCHOOL**

The Board of Education believes a safe and civil environment in school is necessary for children to learn. A pupil who is a victim of dating violence suffers academically and the pupil's safety at school is jeopardized. No regularly enrolled student will be permitted to smoke in any part of our building, on any school property or any bus transporting students to and from trips, athletic events, et al. (Please review **Student Discipline/Code of Conduct - Policy/Regulation 5600**).

Violations are reported to the Borough's Fire Prevention Bureau for further action and to the Police Department, pursuant to Borough Ordinance #1715 which prohibits the use of and/or possession of tobacco products by minors.

"Vape Detectors" will be used in all student bathrooms and locker rooms. If a "vape detector" alerts administration (or their designee) of potential inappropriate behavior, efforts will be made to identify the students who were in the alerted location. In these cases, the student(s), as well as their locker(s), may be searched in compliance with district policy 5770. If a student is in possession of an item not permitted in school they would be subject to a violation of the **Student Discipline/Code of Conduct - Policy/Regulation 5600** with the corresponding consequences. Intervention after a "vape detector" alert may lead to a staff member's perception of a student being under the influence of drugs or alcohol. For further details about this scenario please see the "Suspicion of Being Under the Influence of Drugs, Alcohol, Drug that is Not Prescribed to the Student, of any Narcotic" section of this handbook.

### **FOOD, GUM & CANDY DURING CLASS PERIODS**

Please understand that a student's attendance, disciplinary record, academic performance, etc. will be considered when determining if a student should be permitted to attend. Students may be restricted for any of the above reasons or any additional reasons at the discretion of the school administration. Any student who has been restricted from a class trip may not be financially reimbursed.

## **SUSPICION OF BEING UNDER THE INFLUENCE OF DRUGS, ALCOHOL, DRUG THAT IS NOT PRESCRIBED TO THE STUDENT, OR ANY NARCOTIC**

If a teacher, nurse, administrator, or authorized staff member perceives that a student may be under the influence of an illegal drug, drug that is not prescribed to the student, or any narcotic, the student will be seen by our nurse and sent out for a physical examination and drug screening. In accordance with policy 5770, in these cases, a student and their lockers may be searched. Students in possession of what is believed to be an illegal drug, a drug that is not prescribed to them, any other narcotic, or anything perceived as drug paraphernalia (electronic cigarettes and vaporizing devices qualify as paraphernalia) could qualify as a perception to be under the influence and could result in the same drug screening. If the physician you chose for the drug screening is not available to conduct an immediate medical evaluation, you can bring your child to the District's substance abuse evaluation partner AFC Urgent Care, located at 560 New York Avenue in Lyndhurst. If neither your physician nor AFC Urgent Care are available for an immediate medical examination, the medical examination shall be conducted by the school physician. If the school physician is not available, N.J.A.C. 6A:16-4.3 requires that your child go to the emergency room of the nearest hospital for examination. The examination will be at the District's cost only if it is conducted by AFC Urgent Care, the school physician, or an emergency room. This drug screening will take place within 24 hours and failure to comply with this time frame will be treated as a positive test. All appropriate paperwork must be returned to the school by the doctor and lab in order for the student to return to school. In the case of a positive test, discipline will be enforced at the discretion of the administration. This discipline may include but is not limited to suspension, removal from extra-curricular activities, sports or school events, and/or expulsion. The NAPD will be contacted immediately if a student is in possession of any drug or drug paraphernalia that is not prescribed to the student. Refusal or failure by a parent to comply with the provisions of N.J.S.A. 18A:40A-12 and N.J.A.C. 6A:16-4.3 shall be treated as a policy violation of the Compulsory Education Act, pursuant to N.J.S.A. 18A:38-25 and 31, and child neglect laws, pursuant to N.J.S.A. 9:6-1 et seq. and N.J.A.C. 6A:16-11. Refusal or failure of a student to comply with the provisions of N.J.S.A. 18A:40A-12 and N.J.A.C. 6A:16-4.3 shall be treated by the school district as a policy violation and handled in accordance with N.J.A.C. 6A:16-4.1(c)2. ## **POSSESSION OR USE DRUGS, ALCOHOL, DRUG THAT IS NOT PRESCRIBED TO THE STUDENT, OR ANY NARCOTIC**

The Board is committed to the prevention of substance abuse and the rehabilitation of substance abusers by educational means, but will take the necessary and appropriate steps to protect the school community from harm and from exposure to harmful substances. The use, possession, and/or distribution of alcohol or other drugs on school grounds is prohibited according to N.J.S.A. 18A:40A-9, 10, and 11. In accordance with policy 5770, in these cases, a student and their lockers may be searched. A student who uses, possesses, or distributes alcohol or other drugs will be subject to discipline in accordance with the district's Code of Student Conduct. School authorities also have the authority to impose a consequence on a student for conduct away from school grounds in accordance with the provisions of N.J.A.C. 6A:16-7.5. Discipline may include suspension or expulsion. The student will be seen by our nurse and sent out for a physical examination and drug screening. Students in possession of what is believed to be an illegal drug, a drug that is not prescribed to them, any other narcotic, or anything perceived as drug paraphernalia (electronic cigarettes and vaporizing devices qualify as paraphernalia) could qualify as a perception to be under the influence and could result in the same drug screening. If the physician you chose for the drug screening is not available to conduct an immediate medical evaluation, you can bring your child to the District's substance abuse evaluation partner AFC Urgent Care, located at 560 New York Avenue in Lyndhurst. If neither your physician nor AFC Urgent Care are available for an immediate medical examination, the medical examination shall be conducted by the school physician. If the school physician is not available, N.J.A.C. 6A:16-4.3 requires that your child go to the emergency room of the nearest hospital for examination. The examination will be at the District's cost only if it is conducted by AFC Urgent Care, the school physician, or an emergency room. This drug screening will take place within 24 hours and failure to comply with this time frame will be treated as a positive test. All appropriate paperwork must be returned to the school by the doctor and lab in order for the student to return to school. In the case of a positive test, discipline will be enforced at the discretion of the administration. This discipline may include but is not limited to suspension, removal from extra-curricular activities, sports or school events, and/or expulsion. The NAPD will be contacted immediately if a student is in possession of any drug or drug paraphernalia that is not prescribed to the student. Refusal or failure by a parent to comply with the provisions of N.J.S.A. 18A:40A-12 and N.J.A.C. 6A:16-4.3 shall be treated as a policy violation of the Compulsory Education Act, pursuant to N.J.S.A. 18A:38-25 and 31, and child neglect laws, pursuant to N.J.S.A. 9:6-1 et seq. and N.J.A.C. 6A:16-11. Refusal or failure of a student to comply with the provisions of N.J.S.A. 18A:40A-12 and N.J.A.C. 6A:16-4.3 shall be treated by the school district as a policy violation and handled in accordance with N.J.A.C. 6A:16-4.1(c)2. All students who use or are in possession of drugs or alcohol in school will be referred to our SAC (Student Assistance Coordinator) for additional interventions.

### **WEAPONS**

The possession, use, or exchange of any weapon in any school building, on school grounds, at any school-sponsored event, and on school sanctioned transportation will not be tolerated. A weapon shall be defined as anything readily capable of lethal use or of inflicting serious bodily injury. A weapon includes, but is not limited to, all firearms, knives, dangerous instruments intended to inflict harm, components that can be readily assembled into a weapon, explosive devices, and imitation firearms. This could include, but not limited to, items unattended to in the gym, items not locked in their physical education locker, items left behind in classrooms, electronics left out or behind (personal electronics are not permitted to be visible anywhere in the school building), etc.

### **CHEATING**

Representing someone else's work as your own is dishonest and fraudulent. It diminishes the individual student and the school community as a whole. Cheating is defined as representing another's work as your own or taking someone else's ideas. This includes, but is not limited to, test answers, research/thesis papers, standardized exams, creative projects, homework, lab assignments, and oral presentations. In addition to teacher review and discretion, applications such as "Turnitin" may be used to detect violations. Using unauthorized assistance or providing another student with the opportunity to cheat on any assignment will result in the following actions:

- receive a grade of zero for that work
- parents will be notified and a conference may be held with the teacher, student, parents, guidance counselor, and/or an administrator
- may receive an incomplete for the course
- additional discipline may be enforced at the discretion of the principal or assistant principal.

## **ARTIFICIAL INTELLIGENCE (AI)**

Artificial intelligence is the simulation of human intelligence processes by machines, especially computer systems. Any student who uses a means of artificial intelligence to submit work as their own, will be subject to the “Cheating” regulations listed above. In addition to teacher review and discretion, applications such as “Turnitin” may be used to detect violations.

## **PLAGIARISM AND COPYRIGHT INFRINGEMENT**

Plagiarism is defined as the practice of taking someone else's work or ideas and passing them off as one's own. In addition to teacher review and discretion, applications such as “Turnitin” may be used to detect violations. If plagiarism or copyright infringement occurs on a term/thesis paper or any other assignment the following actions will be taken:

- *reported to principal or designee.*
- *redo the assignment to the satisfaction of the teacher*
- *may receive a grade of 0 or an incomplete for the course*
- *a conference may be held with the teacher, student, parents, guidance counselor, and/or an administrator*
- *additional discipline may be enforced at the discretion of the Principal or Assistant Principal.*

*Incidents of cheating, plagiarism and copyright infringement will be reported to the National Honor Society advisor and could result in disqualification from the National Honor Society or sanctions from future membership.*

A student who has a second incident of plagiarism or copyright infringement on an assignment or test will receive a grade of no greater than a 50 for that marking period. Additional discipline may be enforced at the discretion of the Principal or Assistant Principal. Programs, such as Turnitin.com and other tools, can be used to verify the authenticity of the work.

Seniors with outstanding fees will not be permitted to receive their diploma.

## **ELECTRONIC COMMUNICATIONS AND ACCEPTABLE USAGE**

Every student will be required to sign an Acceptable Use Agreement (AUP) Form before being allowed to use district computers. Pupils are responsible for appropriate behavior on school computer networks just as in other school settings. Students may also be held responsible for reimbursement for damage done to electronics due to acceptable usage violations.

All students are given a unique log in to the district network. When using district computers, students MUST log in using their own log in information. Under no circumstances should students share this information. In addition, students are given a unique O:\ drive folder to save their work. Students can only save their work to this folder. It is understood that the classroom teacher as well as the administration has the right to inspect the contents of this O:\ drive folder at any time. Students can only print to a district printer when instructed by the teacher to do so. Students may not use the internet unless instructed to do so by the teacher. In addition to the Acceptable Usage Policy, violations to any of the above will result in discipline at the discretion of the administration

### **SCHOOL ISSUED CHROMEBOOKS**

Each student will be provided with a school issued Chromebook, Chromebook case, and charger at the beginning of the school year. These items are the property of the school district. Students are entrusted to respect and maintain these items throughout the school year. Students must, then, hand in their school issued Chromebook and Chromebook accessories at the conclusion of the school-year. The loss, failure to hand it, and/or damage of a Chromebook, or Chromebook accessories will be handled in accordance with what was described in the “Lost or Damaged Chromebooks/Books or other School Property” section of this handbook. Students will not be permitted to use personal devices (laptops, tablets, cell phones) during the school day. The use of a personal device during the school day will result in a violation as described in the “Electronic Communications and Recording Devices (ECRD) i.e. Cell Phones/Smart Phones& Watches/Headphones” section of this handbook.

### **LOCKERS ARE THE PROPERTY OF THE SCHOOL AND AS SUCH ARE SUBJECT TO UNANNOUNCED INSPECTION**

All students are assigned a locker with a corresponding, confidential combination. All students/parents must sign a form at the beginning of each year that states they understand what proper locker usage entails and that lockers (lockers in the hallway and gym lockers) can be searched at any time at the discretion of the administration. Students should not store money, jewelry or other items of value in their locker. Students are responsible for the cleanliness of their locker and will be charged a fee for removal of any stickers or graffiti which is found therein. Students are NOT to share lockers and will be held responsible for any material in their locker. It is the students’ responsibility to ensure that all locks are secured every day. Students will be held financially responsible for a missing lock. Please understand that replacement locks must be

purchased through the school as they are part of a Master Lock system. In accordance with the district policy for lost/damaged books/calculators (above), a student's grades, report card, schedule for the following year, etc. will be held if there are outstanding fines. In addition, the parent and student portals will be blocked. Seniors with outstanding fees will not be permitted to attend the graduation ceremony. Student physical education lockers can be searched at any time at the discretion of the school administration. Items left in lockers at the conclusion of the school year will be discarded. ### ATHLETIC ELIGIBILITY

As a member of the N.J.S.I.A.A., North Arlington High School adheres to its rules and regulations. A student entering 9th grade is immediately sports eligible for the 1st semester (Sept. 1 - Jan. 31). A student who has reached the age of 19 prior to September 1st is ineligible. To be eligible for the 1st semester all students (grades 10-12) must have accumulated at least 30 credits during the immediate preceding academic year to be eligible.

To be eligible for the 2nd semester (Feb. 1 - June 30) all athletes must accumulate at least 15 credits at the conclusion of the first semester.

A student who fails 2 or more subjects in a marking period is ineligible for the next sports season (NAHS Requirement).

A student is eligible immediately if transferring in because of a change of residence that is determined to be "bona-fide." An athlete is eligible after 30 days from the first athletic contest at North Arlington High School if the student played a varsity contest in the previous school and did not have a "bona fide" change of address (as defined by the NJSIAA). In addition, a "Transfer Waiver Form" must be completed and processed and the student must also be academically cleared.

Athletes must be in school on the day of an activity in order to be eligible for participation, for a weekend event a student must be present on Friday. If a student reports to school after 11:00 a.m. without an excused reason, they are ineligible to participate in any after school function that day. This requirement can be waived by the principal or assistant principal at their discretion.

Students must also be medically cleared for athletic participation. In order to be medically cleared, students must have a physical performed by our school doctor or family doctor and the proper paperwork must be on file with the school. This approved physical will clear a student for athletic participation for 365 days.

Along with the physician/medical forms, a permission packet and a student medical questionnaire (filled out by parent/guardian) must be completed through our online registration system by the corresponding due date prior to every season of athletic participation. The link for our online registration can be found on the athletics page of the high school's website (<https://northarlingtonhs.schoolteams.com/>). **The high school administration, athletic director, nurse, or athletic trainer reserves the right to require a student to receive further medical clearance as a result of responses on the medical questionnaire (even if the physician clears the student based on their physical).** This clearance might be required from a neurologist, cardiologist, sports medicine doctor, or any other specialist.

*Please review our new concussion testing and return-to-play policy (District Policy 2431.4). This policy will be strictly followed.*

### **FAN BEHAVIOR**

Students and parents are reminded that they represent NAHS when they are a fan at an athletic event. We urge them to set an example for all around them by respecting the rights and property of others, by observing the judgment of officials, the strategy of the coach and by applauding positive performances while censuring unruly behavior. All cheering and fan behavior must be deemed as a positive to our athletic teams. *Any cheering and fan participation that is aimed to demean or single out the opposing team, individuals on the team, opposing coaches, or officials will not be tolerated.* An adult, child, or student can be asked to leave the premises at the discretion of a coach, site manager, administrator, or official. In the case of a student, further discipline may be enforced at the discretion of the administration. Discipline may include but is not limited to restriction from sporting events or school events, loss of privilege, detention, suspension, etc.

Furthermore, students must meet all graduation requirements and have no outstanding fines to be eligible to participate in the graduation ceremony.

## **GRADING SYSTEM**

All grades are recorded in their real numeric value. Final grade averages for full year courses will be determined by  $(MP1*2+MP2*2+MP3*2+MP4*2+Final\ Exam)/9$  for full year course and  $(MP1*2+MP2*2+Final\ Exam)/5$  for semester courses.

A (93-100), A- (90-92), B+ (87-89), B (83-86), B- (80-82),

C+ (77-79), C (73-76), C- (70-72), D (65-69), F (Below 65)

## **FINAL EXAMS**

The final exams represent  $1/9^{\text{th}}$  of the final grade for full year courses or  $1/5^{\text{th}}$  of the final grade for semester courses.

Juniors and Senior(s) can be exempt from the final exam if their average for the year is a 90 or above  $(MP1+MP2+MP3+MP4)/4$  AND maintain a 90 average in the 4<sup>th</sup> marking period AND have satisfied the community service graduation requirement (30) hours for Juniors and 40 hours for Seniors). If students are exempt from final exams or there is not a final exam for the class final averages will be determined based on the below formula:

$(MP1+MP2+MP3+MP4)/4$  for full year courses or

$(MP1+MP2)/2$  for semester courses.

Students absent on exam days will only be permitted to make up the exams missed if a doctor's note, administrative approval, or legal/government documentation stating an appointment on that day. ### **FIRST HONORS**

A student must achieve a minimum grade of no less than a 90 in all courses enrolled.

### **SECOND HONORS**

A student must achieve a minimum grade of no less than a 85 in all courses enrolled.

An incomplete grade (excluding Community Service/Service Learning for High School only) will disqualify a student from Honor Roll.

## **BENCHMARKS**

Benchmarks are standardized and uniform assessments that will be given at regular intervals in specific courses throughout the year. Benchmarks are based on the District's curricula and the New Jersey Student Learning Standards. These assessments will count as 15% of a student's marking period grade for the courses in which they are enrolled. In June, students will take a summative final exam. In classes in which there is a final exam, the 4th benchmark assessment will be embedded within the final exam. For semester courses, two benchmark assessments will be given. For these semester classes in which a final exam is given, the 2nd benchmark assessment will be embedded within the final exam.

## **POLICY ON INCOMPLETE GRADES**

A grade of “Incomplete” will be given to those pupils unable to complete the work assigned to the course for reasons beyond the pupil’s control, such as the pupil’s disability.

- a. A teacher who submits a grade of incomplete will accompany the grade with a reasonable estimate of the amount of time the pupil will require to complete the work necessary for the granting of credit. (ten days with the exception of medical excuse)
- b. Except as may be required by unusual circumstances, make up work should be completed within ten days of the end of the marking period or, if the pupil is disabled at the end of the marking period, two weeks after the pupil’s return to school.
- c. The pupil’s completed work will be graded and the teacher will submit a grade, which will replace the incomplete grade on the pupil’s transcript.
- d. A pupil who does not complete the work within the period allowed will receive the grade earned for the assignment.

## **PUPIL PROGRESS REPORTS**

Progress Reports will be available on both the student portal and the parent portal after the 4th week of each marking period. Progress Reports serve as indicators and should not be construed as “guaranteeing” a specific grade. School counselors meet regularly with pupils to review work habits and to design performance improvement plans. Progress Reports may also be viewed on the Parent Portal.

## **PARENT PORTAL**

Parents can and should log in and check on attendance, grades, and their child's progress on a regular basis. To login to the portal, browse to the District Homepage [www.navikings.org](http://www.navikings.org) and click on the Parent portal link. **Login problems?** Please call the main office at 201-991-6800 x2001 for assistance

## **STUDENT PORTAL**

The Realtime student portal allows students to view their grades, courses, schedules, attendance and anything else that the parent can view in the parent portal. Each student will have their own "student portal" login that they can use throughout their high school years.

## **ACADEMIC SUPPORT**

### **PASS**

Teaching staff will be available to all **students seeking extra help** Tuesday – Thursday at 2:15. (With the exception of staff meeting dates) Please check with your teacher on a daily basis to ensure their availability on any given day.

## **MANDATORY PASS**

Mandatory PASS is an extra help period that is **assigned to a student at the discretion of the classroom teacher**. PASS is a calculated effort to raise a student's achievement level by focusing on reinforcement, assignment clarification, make-up and review work. This takes place Monday-Thursday at 2:15 PM. Failure to attend mandatory PASS will result in discipline, including but not limited to central detention, at the discretion of the administration. Mandatory PASS takes precedence over any extra-curricular activity. Please note that a student signature on a mandatory PASS form indicates that a student is aware that the teacher is assigning them PASS. Refusal to sign a mandatory PASS form will be deemed as insubordination with possible discipline that is outlined in the above section.

## **SUMMER SCHOOL POLICY**

A student may attend summer school for the purpose of credit recovery. The student must attend a summer school program accredited by the State of New Jersey. Applicants for summer school credit must be registered in the Guidance Department to ensure summer classes meet the requirements of both the NJDOE and NABOE.

## **STUDENT ATTENDANCE**

The Board of Education requires that "the pupils enrolled in the schools of this district attend school regularly in accordance with the laws of the state." Any student who exceeds a total of **16** or more absences (inclusive of excused and unexcused absences) in a four marking period course or class, eight absences in any two semester course or class or four absences in any individual mini-course class, will be withdrawn from that class and will receive no academic credit for that course or class toward promotion or graduation. It is expected that the sixteen absences per year will provide for normal illness. The student who uses their quota of absences for reasons other than illness or emergency will not be allowed to claim relief on the grounds that they did not anticipate illness or emergency. Habitual absence will cause formal charges to be lodged in the municipal court. Partial absence from the school day will count as a percentage of an absence and count towards a student's attendance total.

### **Excused Absence**

An excused absence shall be defined as an absence from school or class for any legitimate reason. Legitimate reasons for absence include:

- The student's illness, supported by compliance with Regulation 5200
- College visits for 11<sup>th</sup> & 12<sup>th</sup> Graders (maximum of three)
- Take Our Children to Work Day
- Absences caused by student's suspension
- The student's required attendance in court

- Family illness or death
  - supported by a written letter from the parent upon the student's return to school
  - supported by notification to the school by the student's parent
- Examination for a driver's license
- Necessary and unavoidable medical or dental appointments that cannot be scheduled at a time other than the school day

### **Unexcused Absence**

An unexcused absence from school shall be defined as an absence from any regularly scheduled class for a reason other than those reasons outlined above, or in any case in which the school has not received a parent/guardian telephone call.

### **Tardiness**

Shall be defined as the arrival to class after the bell. An excused tardy is defined as being late to school or class for a legitimate reason including legal obligation, medical appointment, D.M.V. appointment, or a funeral. Authorized documentation is required for all absences to be excused. An unexcused tardy occurs when a student arrives late to class without a proper excusable reason. It is important to remember that cumulative tardies will become cuts. 5 unexcused tardies to any particular class will equal one cut.

### **Cut**

A cut shall be defined as any unexcused absence from an assigned class for an entire period or for a significant portion of the period or being late to class three times. Three cuts from a single class will lead to withdraw from that class (pending appeals process). Any parent notification of student absence from a class or a series of classes must be made prior to the absence. If proper notification is not made prior, cuts may be issued for all classes missed. A student may receive a grade of "0" for an assignment/assessment missed during a "cut" period.

**AM Cut** is when a student arrives at school late while missing at least ½ of period 1 without a corresponding parent/guardian call to inform the school of the excessive tardiness. A cut will be issued for period 1 (as well as all other classes that are missed) in this case. AM cuts are classified as a cut and will accumulate towards loss of credit to a course. A student may receive a grade of a "0" for an assignment/assessment missed during a "cut" period.

### **Appeals Committee**

An Appeals Committee will be convened to hear appeals and make judgments relevant to attendance policies on individual cases. The Appeals Committee may consist of the following: Principal, assistant principal, guidance counselor, department chairperson, nurse, and involved teacher. Students who exceed the allowable number of

absences or cuts may be permitted to appeal the decision. The appeal must be in the form of a written statement as to why the penalty should not be imposed. It must be submitted to the assistant principal. On appeal, the entire absence record of the student will be reviewed and an appropriate recommendation will be made to the principal. No student who is withdrawn from a course for cause shall be allowed to enroll in another course for credit. A full-year course may be repeated the following year.

### **FIELD TRIPS**

Attendance to field trips is considered a privilege. Please understand that a student's attendance, disciplinary record, academic performance, etc. will be considered when determining if a student should be permitted to attend. Students may be restricted for any of the above reasons or any additional reasons at the discretion of the school administration. Any student who has been restricted from a class trip may not be financially reimbursed.

### **Special Education Services**

#### Referral to Child Study Team

A parent may request a Child Study Team (CST) or speech evaluation for their son/daughter by putting their request in writing to the building principal or Director of Special Education. This written request is considered a referral. A CST member or speech therapist will contact the parent to schedule an Evaluation Planning Meeting within 20 days of the receipt of the referral. The purpose of the Evaluation Planning Meeting is to discuss whether or not the district will proceed with a speech or a CST evaluation. Except in certain circumstances, pre-referral interventions through the I&RS should be implemented prior to a referral to the CST. For questions regarding district special education services please contact the district special education department at 201-998-6800 ext. 2602

### **North Arlington High School Add/Drop Policy**

All students are expected to choose courses carefully during the course selection process. Student course requests determine how many sections of each will be offered the following year. Schedules are then planned accordingly and students are expected to abide by their choices.

#### **Schedule Changes**

Requests should be made by email to your Guidance Counselor starting September 8, 2023 and ending on Friday, September 22, 2023.

For all **AP & Honors** courses, students will have until Friday, September 22, 2022 to drop a course.

For all **Bergen Community College** courses, students will have until the Friday either before or on, October 13th of each school year to drop the program.

For all **Dual Enrollment** courses, students will be notified by their teacher of the add/drop period and when payment is due.

Please note that **NO CHANGES** will be made after the aforementioned deadlines. Students are responsible for completing all previous required assignments and/or exams, including summer assignments, for any course they transfer into.

### **Placement/Level Changes**

If a level change is deemed necessary, a student will make that level change by Friday, September 22, 2023. If you were not recommended for a course, you must complete the Course Recommendation Appeal Form which you can obtain from your school counselor. Your school counselor will review, possibly with administration, and if approved, will then enroll you in the appropriate course and grades from the prior course will follow.

### **AP Courses**

If you are currently enrolled in an AP course, the course's inclusion on your schedule is an implied contract. What that means is that in exchange for your being enrolled in the course, you agree to sit for, pay for, and take very seriously the standardized assessment that accompanies that course. The AP exams will be administered in May. If there are any financial issues which may preclude you from paying for these exams, please contact your school counselor immediately. **Any student who passes the AP exam shall be reimbursed by the Board of Education.**

### **Dual Enrollment Courses**

Select courses have been designated "dual enrollment" through an agreement with St. Thomas Aquinas College. Students will be notified of the option to obtain college credit by their teacher and/or guidance counselor. Upon successful completion and payment, students will earn 3 college credits along with 5 high school credits.

### **Appeals**

If you appealed your recommendation, remember that no changes will be made to your schedule after September 22, 2023.

It is recommended that students consult with their school counselor when contemplating withdrawal from a course. Please be advised that some changes will be rejected if a section(s) become unbalanced. Keep in mind that dropping a course/level changes may require additional changes to a student's schedule. Students must continue to attend their classes on their schedule until they receive an updated copy of their schedule.

## **HOW RANK IN CLASS IS DETERMINED**

Class Rank is determined by the ordering of students' Weighted Grade Point Averages from highest to lowest. Extra weight is awarded to higher level courses. Level 1 courses have a weight of 1.00, Level 2 courses have a weight of 1.125, and Level 3 courses are weighted at 1.250. Courses receive a varying number of credits, based on the number of periods per week they meet. Weighted GPA is calculated as follows:

For each course: Numerical Grade x Number of Credits x Weight = Quality Points per course

The Total Number of Quality Points for All Courses Taken is divided by the Total Number of Credits to determine the Weighted GPA.

-Or-

Weighted GPA = Total Number of Quality Points for All Courses Taken/ Total Number of Credits  
Class Rank is calculated twice yearly, at the end of Marking Period 2 and the end of Marking Period 4.

Valedictorian and Salutatorian are determined after the seventh semester (end of 2<sup>nd</sup> MP of senior year) based on Weighted Class Rank.

A. Prohibiting Harassment, Intimidation, or Bullying

The Board of Education prohibits acts of harassment, intimidation, or bullying of a student. The Board has determined that a safe and civil environment in school is necessary for students to learn and achieve high academic standards; harassment, intimidation, or bullying, like other disruptive or violent behaviors, is conduct that disrupts both a student's ability to learn and a school's ability to educate its students in a safe and disciplined environment. Since students learn by example, school administrators, faculty, staff, and volunteers should be commended for demonstrating appropriate behavior, treating others with civility and respect, and refusing to tolerate harassment, intimidation, or bullying.

For the purposes of this Policy, the term "parent," pursuant to N.J.A.C. 6A:16-1.3, means the natural parent(s); adoptive parent(s); legal guardian(s); resource family parent(s); or parent surrogate(s) of a student. When parents are separated or divorced, "parent" means the person or agency which has legal custody of the student, as well as the natural or adoptive parent(s) of the student, provided parental rights have not been terminated by a court of appropriate jurisdiction.

B. Definition of Harassment, Intimidation, or Bullying

~

“Harassment, intimidation, or bullying” means any gesture, any written, verbal or physical act, or any electronic communication, as defined in N.J.S.A. 18A:37-14, whether it be a single incident or a series of incidents that:

1. Is reasonably perceived as being motivated by either any actual or perceived characteristic, such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression, or a mental, physical or sensory disability, or by any other distinguishing characteristic;

2. Takes place on school property, at any school-sponsored function, on a school bus, or off school grounds, as provided for in N.J.S.A. 18A:37-15.3;

3. Substantially disrupts or interferes with the orderly operation of the school or the rights of other students; and that

a. A reasonable person should know, under the circumstances, that the act(s) will have the effect of physically or emotionally harming a student or damaging the student’s property, or placing a student in reasonable fear of physical or emotional harm to their person or damage to their property; or

b. Has the effect of insulting or demeaning any student or group of students; or

c. Creates a hostile educational environment for the student by interfering with a student’s education or by severely or pervasively causing physical or emotional harm to the student.

The Board recognizes that bullying is unwanted, aggressive behavior that may involve a real or perceived power imbalance. Recognizing “a real or perceived power imbalance” may assist school officials in identifying harassment, intimidation, or bullying within the context and relative positions of the alleged aggressor and target.

~

“Electronic communication” means a communication transmitted by means of an electronic device, including, but not limited to, a telephone, cellular phone, computer, or remotely activating paging device (N.J.A.C. 6A:16-1.3).

In accordance with the Board of Education’s Code of Student Conduct and this Policy, all acts of harassment, intimidation, or bullying that occur off school grounds, such as “cyber-bullying” (e.g., the use of electronic means to harass, intimidate, or bully) is addressed in this Policy.

### C. Student Behavior

The Board of Education expects students to conduct themselves in keeping with their levels of development, maturity, and demonstrated capabilities, with a proper regard for the rights and welfare of other students and school staff, the educational purpose underlying all school activities and the care of school facilities and equipment, consistent with the Code of Student Conduct.

The Board believes that standards for student behavior must be set cooperatively through interaction among the parents and other community representatives, school administrators, school employees, school volunteers, and students of the school district, producing an atmosphere that encourages students to grow in self-discipline. The development of this atmosphere requires respect for self and others, as well as for school district and community property on the part of students, staff, and community members.

Students are expected to behave in a way that creates a supportive learning environment. The Board believes the best discipline is self-imposed, and that it is the responsibility of staff to use instances of violations of the Code of Student Conduct as opportunities for helping students learn to assume and accept responsibility for their behavior and the consequences of their behavior. Staff members who interact with students shall apply best practices designed to prevent student conduct problems and foster students’ abilities to grow in self-discipline.

The Board expects students will act in accordance with the student behavioral expectations and standards regarding harassment, intimidation, or bullying, including:

1. Student responsibilities (e.g., requirements for students to conform to reasonable standards of socially accepted behavior; respect the person, property, and rights of others; obey constituted authority; and respond to those who hold that authority);
2. Appropriate recognition for positive reinforcement for good conduct, self-discipline, and good citizenship;
3. Student rights; and
4. Sanctions and due process for violations of the Code of Student Conduct.

Pursuant to N.J.S.A. 18A:37-15(a) and N.J.A.C. 6A:16-7.1(a)1, the district has involved a broad-base of school and community members, including parents, school employees, volunteers, students, and community representatives, in the development of this Policy.

Pursuant to N.J.A.C. 6A:16-7.1, the Board developed guidelines for student conduct, taking into consideration the nature of the behavior; the nature of the student's disability, if any and to the extent relevant; the developmental ages of students; severity of the offenses and students' histories of inappropriate behaviors; and the mission and physical facilities of the individual school(s) in the district. This Policy requires all students in the district to adhere to the rules established by the school district and to submit to the remedial and consequential measures that are appropriately assigned for infractions of these rules.

Pursuant to N.J.A.C. 6A:16-7.1, the Superintendent shall annually provide to students and their parents the rules of the district regarding student conduct. Provisions shall be made for informing parents whose primary language is other than English.

--

The district prohibits active or passive support for acts of harassment, intimidation, or bullying. The school district will support students who:

1. Walk away from acts of harassment, intimidation, or bullying when they see them;
2. Constructively attempt to stop acts of harassment, intimidation, or bullying;
3. Provide support to students who have been subjected to harassment, intimidation, or bullying; and
4. Report acts of harassment, intimidation, or bullying to the designated school staff member.

#### D. Consequences and Remedial Actions

The Board of Education requires its school administrators to implement procedures that ensure both the appropriate consequences and remedial responses for students who commit one or more acts of harassment, intimidation, or bullying, consistent with the Code of Student Conduct, and the consequences and remedial responses for staff members who commit one or more acts of harassment, intimidation, or bullying.

In every incident found to be harassment, intimidation, or bullying, the school Principal, in consultation with appropriate school staff, may apply disciplinary consequences and/or remedial actions, such as the provision of counseling, behavioral interventions, or other measures.

Appropriate consequences and remedial actions are those that are graded according to the severity of the offenses; consider the developmental ages of the student offenders; the nature of the student's disability, if any and to the extent relevant; and students' histories of inappropriate behaviors, per the Code of Student Conduct and N.J.A.C. 6A:16-7.

The following factors, at a minimum, shall be given full consideration by the school administrators in the implementation of appropriate consequences and remedial measures for each act of harassment, intimidation, or bullying by students.

Each student intervention plan must be approved by the Superintendent.

### E. Reporting Harassment, Intimidation, or Bullying

The Board of Education requires the Principal at each school to be responsible for receiving all complaints alleging harassment, intimidation, or bullying committed by an adult or youth against a student. All Board members, school employees, and volunteers and contracted service providers who have contact with students, are required to verbally report alleged acts of harassment, intimidation, or bullying to the Principal or designee on the same day when the individual witnessed or received reliable information regarding any such incident. All Board members, school employees, and contracted service providers who have contact with students, also shall submit a New Jersey Department of Education-approved HIB 338 Form to the Principal within one school day of the verbal report. Failure to make the required report(s) may result in disciplinary action. The HIB 338 Form shall be kept on file at the school, but shall not be included in any student record unless the incident results in disciplinary action or is otherwise required to be contained in a student's record under State or Federal Law.

The district may not fail to initiate an investigation of harassment, intimidation, or bullying solely because written documentation was not provided. Failing to conduct a harassment, intimidation, or bullying investigation solely because a parent or student did not submit written documentation violates the Anti-Bullying Bill of Rights Act and this Policy. If a parent makes a verbal allegation of harassment, intimidation, or bullying to a district staff member, but does not complete and submit the HIB 338 Form, the staff member or a designee must complete and submit the HIB 338 Form.

The Principal or designee is required to inform the parents of all students involved in alleged incidents, and, as appropriate, may discuss the availability of counseling and other intervention services. Pursuant to N.J.A.C. 6A:16-7.7(a)2.viii.(2), when providing notification to the parents of all students involved, the Principal or designee shall take into account the circumstances of the incident when conveying the nature of the incident, including the actual or perceived category motivating the alleged offense. The Principal or designee shall keep a written record of the date, time, and manner of notification to the parents.

The Principal, upon receiving a verbal or written report, may take interim measures to ensure the safety, health, and welfare of all parties pending the findings of the investigation.

Students, parents, and visitors are encouraged to report alleged acts of harassment, intimidation, or bullying to the Principal or designee on the same day when the individual witnessed or received reliable information regarding any such incident. The school district shall provide a person an online means to complete the HIB 338 Form to anonymously report an act of harassment, intimidation, or bullying. Formal action for violations of the Code of Student Conduct may not be taken solely on the basis of an anonymous report.

A Board member or school employee who promptly reports an incident of harassment, intimidation, or bullying and who makes this report in compliance with the procedures set forth in this Policy, is immune from a cause of action for damages arising from any failure to remedy the reported incident.

The Principal shall promptly submit a copy of each completed HIB 338 Form to the Superintendent.

The district may consider every mechanism available to simplify reporting, including standard reporting forms and/or web-based reporting mechanisms. For anonymous reporting, in addition to making the HIB 338 Form available online, the district may consider locked boxes located in areas of a school where reports can be submitted without fear of being observed.

A school administrator who receives a report of harassment, intimidation, or bullying or who determines a reported incident or complaint, assuming all facts presented are true, is a report within the scope of N.J.S.A. 18A:37-14 and fails to initiate or conduct an investigation, or who should have known of an incident of harassment, intimidation, or bullying and fails to take sufficient action to minimize or eliminate the harassment, intimidation, or bullying, may be subject to disciplinary action. The district also should consider procedures and disciplinary action when it is found that someone had information regarding a harassment, intimidation, or bullying incident, but did not make the required report(s).

F. Anti-Bullying Coordinator, Anti-Bullying Specialist, and School Safety/School Climate Team(s)

1. The Superintendent shall appoint a district Anti-Bullying Coordinator. The Superintendent shall make every effort to appoint an employee of the school district to this position.

The district Anti-Bullying Coordinator shall:

e. Meet at least twice a school year with the school Anti-Bullying Specialist(s) to discuss and strengthen procedures and policies to prevent, identify, and address harassment, intimidation, or bullying in the district.

2. The Principal in each school shall appoint a school Anti-Bullying Specialist. The Anti-Bullying Specialist shall be a guidance counselor, school psychologist, or other certified staff member trained to be the Anti-Bullying Specialist from among the currently employed staff in the school.

The school Anti-Bullying Specialist shall:

a. Chair the School Safety/School Climate Team as provided in N.J.S.A. 18A:37-21;

b. Lead the investigation of incidents of harassment, intimidation, or bullying in the school; and

c. Act as the primary school official responsible for preventing, identifying, and addressing incidents of harassment, intimidation, or bullying in the school.

3. A School Safety/School Climate Team shall be formed in each school in the district to develop, foster, and maintain a positive school climate by focusing on the on-going systemic operational procedures and educational practices in the school, and to address issues such as harassment, intimidation, or bullying that affect school climate and culture. Each School Safety/School Climate Team shall meet, at a minimum, two times per school year. The School Safety/School Climate Team shall consist of the Principal or the Principal's designee who, if possible, shall be a senior administrator in the school and the following appointees of the Principal: a teacher in the school; a school Anti-Bullying Specialist; a parent of a student in the school; and other members to be determined by the Principal. The school Anti-Bullying Specialist shall serve as the chair of the School Safety/School Climate Team.

The School Safety/School Climate Team shall:

- a. Receive records of all complaints of harassment, intimidation, or bullying of students that have been reported to the Principal;
- b. Receive copies of all reports prepared after an investigation of an incident of harassment, intimidation, or bullying;

- d. Review and strengthen school climate and the policies of the school in order to prevent and address harassment, intimidation, or bullying of students;
- e. Educate the community, including students, teachers, administrative staff, and parents, to prevent and address harassment, intimidation, or bullying of students;
- f. Participate in the training required pursuant to the provisions of N.J.S.A. 18A:37-13 et seq. and other training which the Principal or the district Anti-Bullying Coordinator may request. The School Safety/School Climate Team shall be provided professional development opportunities that may address effective practices of successful school climate programs or approaches; and
- g. Execute such other duties related to harassment, intimidation, or bullying as requested by the Principal or district Anti-Bullying Coordinator.

Notwithstanding any provision of N.J.S.A. 18A:37-21 to the contrary, a parent who is a member of the School Safety/School Climate Team shall not participate in the activities of the team set forth in 3. a., b., or c. above or any

other activities of the team which may compromise the confidentiality of a student, consistent with, at a minimum, the requirements of the Family Educational Rights and Privacy Act (20 U.S.C. Section 1232 and 34 CFR Part 99), N.J.A.C. 6A:32-7, Student Records and N.J.A.C. 6A:14-2.9, Student Records.

## G. Investigating Allegations of Harassment, Intimidation, or Bullying

### **Principal's Preliminary Determination**

Prior to initiating an investigation regarding a reported incident or complaint, the Principal or designee, in consultation with the anti-bullying specialist, shall make a preliminary determination as to whether a reported incident or complaint, assuming all facts are presented as true, is a report within the scope of N.J.S.A. 18A:37-14.

Should the Principal or designee, in consultation with the anti-bullying specialist, determine that a reported incident or complaint, assuming all facts presented are true, is not a report within the scope of N.J.S.A. 18A:37-14, the incident will be addressed through the Board's Code of Student Conduct policy. The HIB 338 Form shall be completed, even if a preliminary determination is made not to conduct an investigation of harassment, intimidation, or bullying because the reported incident or complaint is a report outside the scope of the definition of harassment, intimidation, or bullying, and must be submitted to the Superintendent. The Principal will provide the parents of the alleged offender(s) and victim(s) with formal notice of the decision not to initiate a harassment, intimidation, or bullying investigation.

The HIB 338 Form shall be kept on file at the school and will only be added to a student record if the alleged incident is founded, disciplinary action is imposed or is otherwise required to be contained in a student's record under State or Federal law.

The Superintendent may require the Principal to conduct a harassment, intimidation, or bullying investigation of the incident if the Superintendent determines that the incident is within the scope of harassment, intimidation, or bullying and shall notify the Principal of this determination in writing. Should the Superintendent require the

Principal to conduct a harassment, intimidation, or bullying investigation, the Principal will immediately initiate an investigation of harassment, intimidation, or bullying by referring the matter to the school anti-bullying specialist.

Additionally, any preliminary determination that finds the incident or complaint is a report outside the scope of N.J.S.A. 18A:37-14 may be appealed to the Board, pursuant to the Board policies and procedures governing student grievances, and thereafter to the Commissioner (N.J.A.C. 6A:16-7.7(a)ix(1) and (a)ix(1)(A)). Should the preliminary determination not to conduct an investigation of harassment, intimidation, or bullying be overturned, the Principal will immediately initiate an investigation of harassment, intimidation, or bullying by referring the matter to the school anti-bullying specialist.

The Board requires a thorough and complete investigation to be conducted for each reported incident or complaint, assuming all facts presented are true, that is determined to be a report within the scope of N.J.S.A. 18A:37-14. The investigation shall be initiated by the Principal or designee within one school day of the verbal report of the incident. The investigation shall be conducted by the school anti-bullying specialist appointed by the Principal. The Principal may appoint additional personnel who are not school anti-bullying specialists to assist the school anti-bullying specialist in the investigation. Investigations of complaints concerning adult conduct shall not be investigated by a member of the same bargaining unit as the individual who is the subject of the investigation. The anti-bullying specialist may not participate in an investigation regarding their supervisor or staff at a higher administrative level.

The investigation shall be completed, and the written findings submitted to the Principal as soon as possible, but not later than ten school days from the date of the written report of the alleged incident of harassment, intimidation, or bullying or ten school days from the date of the written notification from the Superintendent to the Principal to initiate an investigation. Should information regarding the reported incident and the investigation be received after the end of the ten-day period, the school anti-bullying specialist or the Principal shall amend the original report of the results of the investigation to ensure there is an accurate and current record of the facts and activities concerning the reported incident.

The Principal shall proceed in accordance with the Code of Student Conduct, as appropriate, based on the investigation findings. The Principal shall submit the report to the Superintendent within two school days of the completion of the investigation and in accordance with the Administrative Procedures Act (N.J.S.A. 52:14B-1 et seq.). As appropriate to the findings from the investigation, the Superintendent shall ensure the Code of Student Conduct has been implemented and provide intervention services, order counseling, establish training programs to

reduce harassment, intimidation, or bullying and enhance school climate, or take or recommend other appropriate action, including seeking further information as necessary.

The Superintendent shall report the results of each investigation to the Board no later than the date of the regularly scheduled Board meeting following the completion of the investigation. The Superintendent's report also shall include information on any consequences imposed under the Code of Student Conduct, intervention services provided, counseling ordered, training established or other action taken or recommended by the Superintendent.

Parents of the students who are parties to the investigation shall be provided with information about the investigation, in accordance with Federal and State law and regulation. The information to be provided to parents includes the nature of the investigation, whether the district found evidence of harassment, intimidation, or bullying, or whether consequences were imposed or services provided to address the incident of harassment, intimidation, or bullying. This information shall be provided in writing within five school days after the results of the investigation are reported to the Board.

A parent may request a hearing before the Board after receiving the information. Any request by the parents for a hearing before the Board concerning the written information about a harassment, intimidation, or bullying investigation, pursuant to N.J.S.A. 18A:37-15(b)(6)(d), must be filed with the Board Secretary no later than sixty calendar days after the written information is received by the parents. The hearing shall be held within ten business days of the request. Prior to the hearing, the Superintendent shall confidentially share a redacted copy of the HIB 338 Form that removes all student identification information with the Board. The Board shall conduct the hearing in executive session, pursuant to the Open Public Meetings Act (N.J.S.A. 10:4-1 et seq.), to protect the confidentiality of the students. At the hearing, the Board may hear testimony from and consider information provided by the school anti-bullying specialist and others, as appropriate, regarding the alleged incident; the findings from the investigation of the alleged incident; recommendations for consequences or services; and any programs instituted to reduce such incidents, prior to rendering a determination.

At the regularly scheduled Board meeting following its receipt of the report or following a hearing in executive session, the Board shall issue a decision, in writing, to affirm, reject, or modify the Superintendent's decision. The Board's decision may be appealed to the Commissioner of Education, in accordance with N.J.A.C. 6A:3, no later than ninety days after the issuance of the Board's decision.

A school administrator who receives a report of harassment, intimidation, or bullying and fails to initiate or conduct an investigation, or who should have known of an incident of harassment, intimidation, or bullying and fails to take sufficient action to minimize or eliminate the harassment, intimidation, or bullying, may be subject to disciplinary action.

The Board also requires the thorough investigation of complaints or reports of harassment, intimidation, or bullying, occurring on district school buses, at district school-sponsored functions, and off school grounds involving a student who attends an approved private school for students with disabilities. The investigation will be conducted by the Board's anti-bullying specialist in consultation with the approved private school for students with disabilities.

#### H. Responding to Harassment, Intimidation, or Bullying

The Board of Education authorizes the Principal of each school to define the range of ways in which school staff will respond once an incident of harassment, intimidation, or bullying is confirmed, and the Superintendent shall respond to confirmed harassment, intimidation, or bullying, according to the parameters described below and in this Policy. The Board recognizes that some acts of harassment, intimidation, or bullying may be isolated incidents requiring that the school officials respond appropriately to the individual(s) committing the acts. Other acts may be so serious or parts of a larger pattern of harassment, intimidation, or bullying that they require a response either at the classroom, school building, or school district levels or by law enforcement officials. Consequences and appropriate remedial actions for a student who commits an act of harassment, intimidation, or bullying may range from positive behavioral interventions up to and including suspension or expulsion, as permitted under N.J.S.A. 18A:37, Discipline of Pupils and as set forth in N.J.A.C. 6A:16-7.2, Short-term suspensions, N.J.A.C. 6A:16-7.3, Long-term suspensions, and N.J.A.C. 6A:16-7.4, Expulsions.

In considering whether a response beyond the individual is appropriate, school officials shall consider the nature and circumstances of the act; the degree of harm; the nature and severity of the behavior; past incidences or past or continuing patterns of behavior; and the context in which the alleged incident(s) occurred. Institutional (i.e., classroom, school building, school district) responses can range from school and community surveys, to mailings, to focus groups, to adoption of research-based harassment, intimidation, or bullying prevention program models, to training for certificated and non-certificated staff, to participation of parents and other community members and

organizations, to small or large group presentations for fully addressing the actions and the school's response to the actions, in the context of the acceptable student and staff member behavior and the consequences of such actions, and to the involvement of law enforcement officers, including safe schools resource officers.

This Policy and the Code of Student Conduct shall apply to instances when a school employee is made aware of alleged harassment, intimidation, or bullying occurring off school grounds.

For every incident of harassment, intimidation, or bullying, the school officials must respond appropriately to the individual who committed the act. The range of responses to confirmed harassment, intimidation, or bullying acts should include individual, classroom, school, or district responses, as appropriate to the findings from each incident. Examples of responses that apply to each of these categories are provided below:

1. Individual responses can include positive behavioral interventions (e.g., peer mentoring, short-term counseling, life skills groups) and punitive actions (e.g., detention, in-school or out-of-school suspension, expulsion, law enforcement report or other legal action).
2. Classroom responses can include class discussions about an incident of harassment, intimidation, or bullying, role plays, research projects, observing and discussing audio-visual materials on these subjects, and skill-building lessons in courtesy, tolerance, assertiveness, and conflict management.
3. School responses can include theme days, learning station programs, parent programs, and information disseminated to students and parents, such as fact sheets or newsletters explaining acceptable uses of electronic and wireless communication devices or strategies for fostering expected student behavior.
4. District-wide responses can include community involvement in policy review and development; professional development programs; adoption of curricular and school-wide programs, coordination with community-based organizations (e.g., mental health, health services, health facilities, law enforcement officials, faith-based

organizations); and disseminating information on the core ethical values adopted by the Board's Code of Student Conduct, per N.J.A.C. 6A:16-7.1(a)2.

In providing support for victims of harassment, intimidation, or bullying, the district should identify a range of strategies and resources, which may include, but is not limited to, the following actions for individual victims:

- Counseling;
- Teacher Aides;
- Hallway and playground monitors;
- Schedule changes;
- Before and after school supervision;
- School transportation supervision;
- School transfers; and
- Therapy.

#### I. Reprisal or Retaliation

The Board of Education prohibits a Board member, school employee, contracted service provider who has contact with students, school volunteer, or student from engaging in reprisal, retaliation, or false accusation against a victim, witness, or any other person who has reliable information about an act of harassment, intimidation, or bullying or who reports an act of harassment, intimidation, or bullying. The consequence and appropriate remedial action for a person who engages in reprisal or retaliation shall be determined by the administrator after consideration of the nature, severity, and circumstances of the act, in accordance with case law, Federal and State statutes and regulations, and district policies and procedures.

## J. False Accusations of Harassment, Intimidation, or Bullying

The Board of Education prohibits any person from falsely accusing another as a means of harassment, intimidation, or bullying.

1. Students - Consequences and appropriate remedial action for a student could range from positive behavioral interventions up to and including suspension or expulsion, as permitted under N.J.S.A. 18A:37-1, Discipline of Pupils and as set forth in N.J.A.C. 6A:16-7.2, Short-term suspensions, N.J.A.C. 6A:16-7.3, Long-term suspensions, and N.J.A.C. 6A:16-7.4, Expulsions;

2. School Employees - Consequences and appropriate remedial action for a school employee or contracted service provider who has contact with students could entail discipline in accordance with district policies, procedures, and agreements; and

3. Visitors or Volunteers - Consequences and appropriate remedial action for a visitor or volunteer could be determined by the school administrator after consideration of the nature, severity, and circumstances of the act, including law enforcement reports or other legal actions, removal of buildings or grounds privileges, or prohibiting contact with students or the provision of student services.

## K. Additional Policy Requirements

The Board of Education requires the Superintendent to annually disseminate this Policy to all school employees, contracted service providers who have contact with students, school volunteers, students and parents who have children enrolled in a school in the school district, along with a statement explaining that this Policy applies to all acts of harassment, intimidation, or bullying, pursuant to N.J.S.A. 18A:37-14, that occur on school property, at school-sponsored functions or on a school bus and, as appropriate, acts that occur off school grounds.

The Superintendent shall post a link to this Policy that is prominently displayed on the home page of the school district's website. The Superintendent shall post the New Jersey Department of Education's Guidance for Parents on the Anti-Bullying Bill of Rights Act on the district homepage and on the homepage for each school in the district with a website.

The Superintendent and the Principals shall provide training on the school district's harassment, intimidation, or bullying policies to school employees contracted service providers and volunteers who have significant contact with students. The training shall include instruction on preventing bullying on the basis of the protected categories enumerated in N.J.S.A. 18A:37-14 and other distinguishing characteristics that may incite incidents of discrimination, harassment, intimidation, or bullying. The school district's employee training program shall include information regarding the school district policy against harassment, intimidation, or bullying, which shall be provided to full-time and part-time staff, contracted service providers and school volunteers who have significant contact with students.

The Superintendent shall develop and implement a process for annually discussing the school district policy on harassment, intimidation, or bullying with students. The Superintendent and the Principal(s) shall annually conduct a re-evaluation, reassessment, and review of this Policy and any report(s) and/or finding(s) of the school safety/school climate team, with input from the school anti-bullying specialists, and recommend revisions and

additions to this Policy as well as to harassment, intimidation, or bullying prevention programs and approaches based on the findings from the evaluation, reassessment, and review.
